Financial Statements

As of and for the periods ended December 31, 2008

Under provisions of state law, this report is a public document. A copy of the report has been submitted to the entity and other appropriate public officials. The report is available for public inspection at the Baton Rouge office of the Legislative Auditor and, where appropriate, at the office of the parish clerk of court.

Release Date 5/27/09

To the Board of Directors
Quarter Horse Racing Assn of LA
2012 Jardell Road
Vinton, LA 70668

I have compiled the accompanying statement of financial position of Quarter Horse Racing Assn of LA (a Non Profit Corporation) as of December 31, 2008, and the related statements of activities, and cash flows for the 12 Months then ended, in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants.

A compilation is limited to presenting in the form of financial statements information that is the representation of management. I have not audited or reviewed the accompanying financial statements and, accordingly, do not express an opinion or any other form of assurance on them. However, I did become aware of the departures from generally accepted accounting principles described in the following paragraphs.

Management has elected to omit substantially all of the disclosures required by generally accepted accounting principles. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the company's financial position, results of operations, and cash flows. Accordingly, these financial statements are not designed for those who are not informed about such matters.

The statements of the company do not reflect a provision for doubtful accounts. Bad debts are recorded when receivables are deemed to be uncollectible. Inventories, if any, are generally recorded at cost and estimated during interim periods. Adjustments, if any, to inventories and cost of sales are made when physical inventories are taken. The company calculates depreciation, if any, using methods described in the Internal Revenue Code. The effects of these departures from generally accepted accounting principles have not been determined.

The Company qualifies under Section 501(c)(3) of the Internal Revenue Code. Accordingly, the company is generally not subject to income taxes. Therefore, no provision or liability for federal income tax is reflected in these statements.
