Mr. Gervis LaFleur, Executive Director, and Members of the Board of Directors Evangeline Community Action Agency, Inc. Ville Platte, Louisiana

We have audited the accompanying statement of financial position of the Evangeline Community Action Agency, Inc. (a nonprofit organization) as of January 31, 2006, and the related statements of activities, functional expenses, and cash flows for the year then ended. These financial statements are the responsibility of the management of Evangeline Community Action Agency, Inc. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in <u>Government Auditing Standards</u>, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Evangeline Community Action Agency, Inc., as of January 31, 2006, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with <u>Government Auditing Standards</u>, we have also issued our report dated July 14, 2006, on our consideration of Evangeline Community Action Agency, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with <u>Government Auditing Standards</u> and should be considered in assessing the results of our audit.

G. Donated Services and Materials

Contributions of materials, facilities and services are recognized if they (a) create or enhance nonfinancial assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. These donated services and facilities were recorded at market value.

H. Statement of Cash Flows

The Evangeline Community Action Agency, Inc. considers all highly liquid investments with maturity of three months or less at the date of acquisition to be cash equivalents.

I. Total Columns

REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

WEB SITE;

Mr. Gervis LaFleur, Executive Director and Members of the Board of Directors Evangeline Community Action Agency, Inc. Ville Platte, Louisiana

We have audited the financial statements of Evangeline Community Action Agency, Inc., (a nonprofit organization), as of and for the year ended January 31, 2006, and have issued our report thereon dated July 14, 2006. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Evangeline Community Action Agency, Inc.'s internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide an opinion on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

Compliance and Other Matters

REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

WEB SITE;

Mr. Gervis LaFleur, Executive Director, and Members of the Board of Directors Evangeline Community Action Agency, Inc. Ville Platte, Louisiana

Compliance

We have audited the compliance of Evangeline Community Action Agency, Inc., (a nonprofit organization) with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) <u>Circular A-133 Compliance Supplement</u> that are applicable to each of its major federal programs for the year ended January 31, 2006. Evangeline Community Action Agency, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of Evangeline Community Action Agency, Inc.'s management. Our responsibility is to express an opinion on Evangeline Community Action Agency, Inc.'s compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and OMB Circular A-133, Audits of States, Local Governments and Non-Profit Organizations. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Evangeline Community Action Agency, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of Evangeline Community Action Agency, Inc.'s compliance with those requirements.

In our opinion, Evangeline Community Action Agency, Inc. complied, in all material respects, with the requirements referred to above that are applicable to its major federal programs for the year ended January 31, 2006.

Member of: AMERICAN INSTITUTE OF CERTIFIED PUBLIC ACCOUNTANTS Member of: SOCIETY OF LOUISIANA CERTIFIED PUBLIC ACCOUNTANTS

Internal Control Over Compliance

The management of Evangeline Community Action Agency, Inc. is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered the Evangeline Community Action Agency, Inc.'s internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on the internal control over compliance in accordance with OMB Circular A-133.

Our consideration of the internal control over compliance would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that noncompliance with applicable requirements of laws, regulations, contracts and grants caused by error or fraud that would be material in relation to a major federal program being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over compliance and its operation that we consider to be material weaknesses.

This report is intended solely for the information of the Board of Directors, management, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties. However, this report is a matter of public record and its distribution is not limited.
