Re: 2009 Resubmitted Report for
Lincoln Total Community Action Plan, Inc.

Dear Sir or Madam:

The 2009 report and financial statements were reissued due to a request from the federal clearing house to add the ARRA Federal Program as a major program. Our firm then did additional work on the ARRA Program in order to justify our opinion on its being a major program. No amounts/figures changed in the 2009 report, only the dates changed as well as items related to adding the ARRA Program as a major program.

If you need any additional information, please telephone me.

Thanks,

Rowland H. Perry, CPA, APC

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors
Lincoln Total Community Action, Inc.
Ruston, Louisiana

We have audited the financial statements of Lincoln Total Community Action, Inc. (a nonprofit organization) as of and for the year ended November 30, 2009, and have issued our report thereon dated December 10, 2010. We conducted our audit in accordance with accounting standards generally accepted in the United States of America applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Lincoln Total Community Action, Inc.'s internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Lincoln Total Community Action, Inc.'s internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Agency's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the Agency's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Lincoln Total Community Action, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of non-compliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended for the information of the audit committee, management, and federal awarding agencies and pass-through entities, and is not intended to be and should not be used by anyone other than these specified parties. However, under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.

REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

Board of Directors
Lincoln Total Community Action, Inc.
Ruston, Louisiana

Compliance

We have audited the compliance of Lincoln Total Community Action, Inc. (a nonprofit organization) with the types of compliance requirements described in the *U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement* that are applicable to each of its major federal programs for the year ended November 30, 2009. Lincoln Total Community Action, Inc.'s major federal programs are identified in the summary of auditors= results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts, and grants applicable to each of its major federal programs is the responsibility of Lincoln Total Community Action, Inc.'s management. Our responsibility is to express an opinion on Lincoln Total Community Action, Inc.'s compliance based on our audit.

We conducted our audit of compliance in accordance with accounting standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Lincoln Total Community

Action, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of Lincoln Total Community Action, Inc.'s compliance with those requirements.

In our opinion, Lincoln Total Community Action, Inc. complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the year ended November 30, 2009.

Internal Control Over Compliance

The management of Lincoln Total Community Action, Inc. is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing our audit, we considered Lincoln Total Community Action, Inc.'s internal control over compliance with the requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Lincoln Total Community Action, Inc.'s internal control over compliance.

A *control deficiency* in an entity's internal control over compliance exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect noncompliance with a type of compliance requirement of a federal program on a timely basis. A *significant deficiency* is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to administer a federal program such that there is more than a remote likelihood that noncompliance with a type of compliance requirement of a federal program that is more than inconsequential will not be prevented or detected by the entity's internal control.

A *material weakness* is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that material noncompliance with a type of compliance requirement or a federal program will not be prevented or detected by the entity's internal control.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control

that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

Lincoln Total Community Action, Inc.'s response to the finding identified in our audit are described in the accompanying schedule of findings and questioned costs. We did not audit Lincoln Total Community Action, Inc.'s response and, accordingly, we express no opinion on it.

This report is intended for the information of the audit committee, management, and federal awarding agencies and pass-through entities, and is not intended to be and should not be used by anyone other than these specified parties. However, under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.

INDEPENDENT AUDITORS' REPORT

Board of Directors
Lincoln Total Community Action, Inc.
Ruston, Louisiana

We have audited the accompanying statement of financial position of the Lincoln Total Community Action, Inc. (a nonprofit organization) as of and for the year ended November 30, 2009, and the related statement of activities, functional expenses, and cash flows for the year then ended. These financial statements are the responsibility of the Agency's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; *Government Auditing Standards*, issued by the Comptroller General of the United States; and the provisions of the Office of Management and Budget (OMB) Circular A-133, *Audits of States, Local Governments and Nonprofit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Lincoln Total Community Action, Inc., as of November 30, 2009, and the changes in its net assets and cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued a report dated December 10, 2010 on our consideration of the Agency's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the result of our audit.

Our audit was made for the purpose of forming an opinion on the basic financial statements of Lincoln Total Community Action, Inc. taken as a whole. The accompanying financial information listed as supplementary financial information on pages 20-35, including the accompanying Schedule of Federal Awards for the year ended November 30, 2009, are presented for purposes of additional analysis as required by the Office of Management and Budget (OMB) Circular A-133, *Audits of States, Local Governments and Nonprofit Organizations* and are not a required part of the financial statements. The accompanying financial information listed as supplementary financial information on pages 20-35 has been prepared in accordance with grantors' requirements and is not intended to be a complete presentation in accordance with accounting principles generally accepted in the United States of America. Such information on pages 19-34 has been subjected to the auditing procedures applied in the audit of the financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

The Agency, a non-profit corporation, is exempt from federal income taxes under Section 501(C)(3) of the Internal Revenue Code.

NOTE 7 - CASH IN BANK:

All funds are in institutions insured by an agency of the federal government. There were uninsured balances in one local institution at various times during the year. The Agency has pledged securities to cover any uninsured cash balances.

NOTE 8 - UNEARNED INTEREST:

The various grants require cash to be placed in interest bearing accounts. The interest earned in these accounts must be returned to the funding agency or applied towards the grant award; however, Lincoln Total Community Action, Inc. is allowed to keep \$250 each grant year for administrative costs.

Unrestricted Net Assets - consists of assets, public support and program revenues which are available and used for operations and programs. Contributions are considered available for unrestricted use unless specifically restricted by the donor.

Temporarily Restricted Net Assets - includes funds with donor-imposed restrictions which permit the donee organization to expend the assets as specified and is satisfied either by the passage of time or by actions of the organization. Resources of this nature originate from gifts, grants, bequests, contracts and investment income earned on restricted funds.

NOTE 13 - SUBSEQUENT EVENTS:

Events that occur after the balance sheet date but before the financial statements were issued must be evaluated for recognition or disclosure. The effects of subsequent events that provide evidence about conditions that existed after the balance sheet date require disclosure in the accompanying notes. Management evaluated the activity of the Agency through December 10, 2010, the date the financial statements were available for release, and concluded that no subsequent events have occurred that would require recognition in the financial statements or disclosures in the notes to the financial statements.
