INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
St. Mary Association for Retarded Citizens, Inc.
Centerville, Louisiana 70522

We have audited the accompanying statement of financial position of the St. Mary Association for Retarded Citizens, Inc. (a nonprofit organization) as of June 30, 2007 and the related statements of activities, functional expenses, and cash flows for the year then ended. These financial statements are the responsibility of the Association's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the St. Mary Association for Retarded Citizens, Inc. as of June 30, 2007, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued a report dated December 18, 2007, on our consideration of the Association's internal control over financial reporting and our tests of its compliance with certain provision of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in

accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

St. Mary Association for Retarded Citizens, Inc. operates a non-profit school located in Centerville, Louisiana. The Association provides adult day services to the mentally retarded adults of St. Mary Parish. Individuals perform a wide variety of vocational activities such as recycling, horticulture, and janitorial. The Association is supported primarily through Medicaid waiver reimbursements from the Louisiana Department of Health and Hospitals - Office for Citizens with Developmental Disabilities.

Income Tax Status

St. Mary Association for Retarded Citizens, Inc. is a non-profit organization as described in Section 501(c)(3) of the Internal Revenue Code and is exempt from federal and state income taxes.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents

Cash equivalents consist of short-term, highly liquid investments which are readily convertible into cash within ninety (90) days of purchase. At June 30, 2007 there were no cash equivalents.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles.

Property and Equipment

Property and equipment are capitalized at cost. It is the Association's policy to capitalize expenditures for these items in excess of \$500. Lesser amounts are expensed. Depreciation is computed using the modified accelerated cost recovery system over the estimated useful lives of the respective assets. When assets are retired or otherwise disposed of, the cost and related accumulated depreciation are removed from the accounts and any resulting gain or loss is reflected in income for the period.

REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors of
St. Mary Association for Retarded Citizens, Inc.
Centerville, Louisiana 70522

We have audited the financial statements of the St. Mary Association for Retarded Citizens, Inc. (a non-profit organization) as of and for the year ended June 30, 2007, and have issued our report thereon dated December 18, 2007. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the St. Mary Association for Retarded Citizens, Inc.'s internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the St. Mary Association for Retarded Citizens, Inc.'s internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Association's internal control over financial reporting.

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and would not necessarily identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses. However, as discussed below, we identified certain deficiencies in internal control over financial reporting that we consider to be significant deficiencies.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of

control deficiencies, that adversely affects the organization's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles, such that there is more than a remote likelihood that a misstatement of the organization's financial statements that is more than inconsequential will not be prevented or detected by the organization's internal control. We consider the deficiency described as item 2007-1 in the accompanying schedule of findings and questioned costs to be a significant deficiency in internal control over financial reporting.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the organization's internal control.

Our consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in the internal control that might be significant deficiencies and, accordingly, would not necessarily disclose all significant deficiencies that are also considered to be material weaknesses. However, we believe that the significant deficiency described above is a material weakness.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the St. Mary Association for Retarded Citizens, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the board of directors of the St. Mary Association of Retarded Citizens, its management and its grantor agencies and is not intended to be and should not be used by anyone other than those specified parties. However, under Louisiana Revised Statute 24:513, the Legislative Auditor will distribute this document as a public record.

Section II: Financial Statement Findings2007-1 Segregation of Duties

Finding: The Association does not have adequate segregation of duties within its accounting and financial functions.

Cause: Due to the limited number of personnel performing administrative functions, the same person within the Association checks the mail, writes checks, reconciles the bank statement and enters information into the general ledger.
