INDEPENDENT AUDITOR'S REPORT

To the Board of Directors,
MacDonell United Methodist Children's Services, Inc.,
Houma, Louisiana.

We have audited the accompanying statements of financial position of MacDonell United Methodist Children's Services, Inc. (the Center), a nonprofit organization, as of June 30, 2006 and 2005, and the related statements of activities, functional expenses and cash flows for the years then ended. These financial statements are the responsibility of the Center's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Governmental Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Center as of June 30, 2006 and 2005, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, we have also issued a report dated August 23, 2006 on our consideration of the Center's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Governmental Auditing Standards and should be considered in assessing the results of our audit.

NOTES TO FINANCIAL STATEMENTS**MacDonell United Methodist Children's Services, Inc.**

June 30, 2006 and 2005

Note 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**a) Organization**

MacDonell United Methodist Children's Services, Inc. (the Center) is the successor to the MacDonell United Methodist Children's Center which was founded by Miss Ella K. Hooper in 1919 as a French mission school. Today, the Center serves neglected children who need a group living experience. The Center provides around-the-clock care, education, Christian nurture, study and treatment for deprived, dependent children in need of care outside their own homes. The Center is licensed by the Louisiana State Department of Social Services for 38 residents.

b) Financial Statement Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) No. 117, Financial Statements of Not-for-Profit Organizations. Under SFAS No. 117, the Center is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

c) Basis of Accounting

Funds are accounted for using the accrual basis of accounting. Support and revenues are recognized when earned and expenses are recognized when incurred.

d) Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of support, revenues and expenses during the reporting period. Actual results could differ from those estimates.

Note 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

e) Cash and Cash Equivalents

For purposes of the statement of cash flows, the Center considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents, exclusive of investments in the Operating, Endowment and Restricted Trusts. The Center had no cash equivalents at June 30, 2006 and 2005.

f) Investments

Investments consist of assets held in an operating trust, an endowment trust and a restricted trust. All investments are stated at market values established in exchange markets.

The operating and restricted trusts are included in investment pools administered by the United Methodist Foundation. The investment pools are operated using the "market value unit method". Under this method, each participant is assigned a number of units based on the relationship of the market value of all investments at the time of entry in the pool. Periodically, the pooled assets are valued. The new asset values are used to determine the number of units to be allocated to participants entering or withdrawing from the pools. Investment pool income, gains and losses are allocated based on the number of units held by each participant during the period. The restrictive trust includes but is not limited to restrictive net assets, as defined by FASB No. 117.

The endowment trust was established by the Center's Board of Directors for the specific purpose of providing net assets to operate the Center for the benefit of the children in residence. The trust is unrestricted and is governed by an Oversight Committee of three to five members. The trust is administered by a bank trust department. The investments consist of money market funds, fixed income mutual funds and equity mutual funds. The endowment trust is designated by the Board of Directors towards subsequent years' expenses and plant expansion should future funding shortfalls occur. Investment income as shown is net of \$3,500 and \$3,277 of investment expenses of the endowment trust as of June 30, 2006 and 2005, respectively.

g) Bad Debts

The financial statements of the Center contain no allowance for bad debts. Uncollectible receivables are recognized as bad debts at the time information becomes available which would indicate the uncollectibility of the particular receivable. These amounts are not considered to be material in relation to the financial position or change in net assets.

Note 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

h) Promises to Give/Contributions

Contributions are recognized when a donor makes a promise to give to the Center that is, in substance, unconditional. Conditional promises to give are recognized when the conditions on which they depend are substantially met. Unconditional promises to give are recognized as assets and revenues.

As of June 30, 2006, the Center received promises to give amounting to \$70,000 conditioned upon constructing a new dormitory for up to 12 girls. As of June 30, 2006 and 2005, the Center included \$11,077 of architectural fees in construction in-progress for the construction of a new building and will recognize the conditional promises to give as revenue at the time dormitory construction commences.

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence or nature of any donor restrictions.

Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions.

l) Property and Equipment

Property and equipment are recorded at cost and are depreciated or amortized by the straight-line method over their estimated useful lives as follows:

Buildings	10 - 30 years
Leasehold improvements	10 - 25 years
Land improvements	11 - 20 years
Furniture and fixtures	7 - 8 years
Machinery and equipment	5 - 15 years
Autos and trucks	3 - 5 years

Note 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

i) Property and Equipment (continued)

Additions and betterments of \$250 or more are capitalized, while maintenance and repairs that do not improve or extend the useful lives of the respective assets are expensed currently. The cost and accumulated depreciation applicable to assets retired or sold are removed from the respective accounts and gains or losses thereon are included in operations. Depreciation and amortization expense for the years ended June 30, 2006 and 2005 was \$48,143 and \$47,017, respectively.

j) Donated Property and Equipment

Donations of property and equipment are recorded as support at their estimated fair value at the date of donation. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Donations for the use of property with explicit restrictions on time and use are reported as restricted support based on the estimated fair value of use. It is the Center's policy to apply the time and use restrictions based on the assets' estimated fair values of use and term of use. Estimated fair value of the use of property is determined by independent appraisal. The most recent independent appraisal of the use of the property is dated January 11, 1999. Absent donor stipulations regarding how long those donated assets must be maintained, the Center reports expirations of donor restrictions when the donated or acquired assets are placed in service or used as instructed by the donor. The Center reclassifies temporarily restricted net assets to unrestricted net assets at that time.

k) Donated Services and Materials

The National Division of the Board of Global Ministries of the United Methodist Church pays the "fire and extended coverage" insurance premium and fidelity bond coverage for the Center. The donated premiums are recorded as contributions at their estimated fair values at the date of donation.

No amounts have been reflected in the financial statements for donated materials because there is no objective basis available to measure the value of such materials.

Note 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

l) Compensated Absences

Full-time staff are entitled to paid vacations and holiday time after one full year of employment. Holiday time not taken is accrued from year to year. Vacations must be taken within the twelve months following the anniversary date of employment. Vacation time not used by this time will be forfeited and cannot be accrued from year to year unless the agency requests an employee to postpone vacation for the good of the program. Terminating employees will be paid for unused vacation leave and holiday time if leaving prior to their anniversary date. The total amount of accrued accumulated vacation leave and holiday time at June 30, 2006 and 2005 was \$67,127 and \$63,815, respectively.

Sick leave accrues at one-half day per month, or six days per year. An employee may accumulate sick leave up to a maximum of twelve days. Sick leave does not vest with the employee and, therefore, is forfeited upon termination.

m) Functional Expenses

The costs of providing various services and other activities have been summarized on a functional basis in the Statement of Activities and the Statement of Functional Expenses in accordance with cost reporting regulations of the Louisiana Department of Social Services. Accordingly, certain costs have been allocated among the services and activities benefitted.

n) Income Taxes

The Center is a non-profit organization and is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. Therefore, no provisions for income taxes have been made.

Note 2 - INVESTMENTS

Investments for the years ended June 30, 2006 and 2005 are as follows:

The investment pools of the operating and restricted trusts have been merged by the bank trustee. While the administrator, the United Methodist Foundation, maintains separate accounting for the operating and restricted trusts, the merged investment pool at December 31, 2005, the latest trust report date, consisted of the following:

Cash and cash equivalents	8.5%
Fixed income securities	38.2%
Equities	47.5%
Real estate and mortgage receivables	<u>5.8%</u>
Total	<u>100.0%</u>

Note 3 - RESTRICTIONS ON NET ASSETS

Temporarily restricted net assets include the present value of a lease agreement between the Center and the Women's Division of the General Board of Global Ministries of the United Methodist Church, \$795,521 and \$885,763 at June 30, 2006 and 2005, the owner of certain land and buildings occupied by the Center. The lease restricts the use of land, the Executive Director's residence, the administration building and various cottages to a residential treatment center for children and youth for the thirteen years ending December 31, 2012. The present value of the lease was determined by applying the time restriction to the use cost of the property, which is determined by multiplying the annual rental, based on an independent appraisal, times the number of years of the lease, thirteen years. A discount rate of 8% was used to determine the present value. The annual lease rental for the years ended June 30, 2006 and 2005 was \$159,334 and \$159,334, respectively.

Note 3 - RESTRICTIONS ON NET ASSETS (Continued)

Permanently restricted net assets consist of the original donation amount of assets in the "Restricted Trust" (Note 2) that have been designated by the donor to be held in perpetuity. The investment income from the trust can be used to support the Center's general activities.

Note 4 - PROPERTY AND EQUIPMENT

At June 30, 2006 and 2005 property and equipment consist of the following:

	<u>2006</u>	<u>2005</u>
Land and improvements	\$ 57,826	\$ 57,826
Building	53,828	53,828
Leasehold improvements	767,754	760,126
Machinery and equipment	170,356	168,376
Furniture and fixtures	70,817	71,821
Autos and trucks	78,332	78,332
Construction in progress	<u>17,566</u>	<u>11,077</u>
	1,216,479	1,201,386
Less accumulated depreciation	<u>816,684</u>	<u>783,871</u>
Net property and equipment	<u>\$ 399,795</u>	<u>\$ 417,515</u>

Construction in progress at June 30, 2006 includes architectural fees for a new dormitory, a roof on rent house and playground equipment.

Note 5 - RETIREMENT PLAN

A defined contribution plan is provided on a voluntary basis to the employees of the Center by the General Board of Pensions of the United Methodist Church. Under this plan, participating employees contribute a minimum of three percent of their salaries to the retirement fund and the Center contributes an amount equal to six percent of the salaries of such employees. The Center's contributions to the plan for the years ended June 30, 2006 and 2005 were \$56,223 and \$55,371, respectively.

Note 6 - ECONOMIC DEPENDENCY

The Center receives monies for reimbursement of daily child-care costs. The child care reimbursement consists of state funding received through the Louisiana Department of Social Services under Title IV B and E (Administration for Children, Youth, and Families - Child Welfare Research and Demonstration). These payments are considered payments for services as opposed to a grant award. The total amounts received, net of clothing and personal needs allowances, for the years ended June 30, 2006 and 2005 were \$1,541,958 and \$1,521,096, respectively.

Reimbursements are determined based on a child-care day rate of \$123.75. The allowances for clothing and personal needs included in the rate amounted \$1.10 and \$0.65 per child-care day. The Center maintains records on a daily basis for each child in attendance at the Center. The child-care days for the years ended June 30, 2006 and 2005 were 12,639 and 12,468, respectively. If significant budget cuts are made at the federal and/or state level, the amount of support the Center receives could be reduced significantly and have an adverse impact on its operations. Management is not aware of any actions by the Federal or state government that will adversely affect the amount of support the Center will receive in the next fiscal year.

The state of Louisiana incurred significant losses as a result of Hurricanes Katrina and Rita in August of 2005. Hurricane relief and recovery efforts have stretched the State's finances and increased the likelihood of cuts in the Center's future funding from the State. Management is not able to estimate at this time the amount of funds that the Center will receive from future state funding. However, management believes that it will receive sufficient funds to avoid a material impact on the Center's future operations.

Note 7 - CONCENTRATION OF RISK

MacDonell United Methodist Children's Services, Inc. maintains several bank accounts at Whitney National Bank and Capital One Bank. Accounts are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$100,000. Cash at these institutions exceeded Federally insured limits by \$157,802 as of June 30, 2006 and \$125,033 as of June 30, 2005.

Note 8 - RISK MANAGEMENT

The Center is exposed to various risks of loss from torts; theft of, damage to, and destruction of assets; business interruption; errors and omissions; employee injuries and illnesses; natural disasters; and employee health and accident benefits. Commercial insurance coverage is purchased for claims arising from such matters. There were no settled claims that exceeded this commercial coverage during the years ended June 30, 2006 and 2005.

Note 9 - LINE OF CREDIT

On March 24, 2006 the Center obtained a \$50,000 revolving line of credit from Capital One Bank to help finance its operating needs. Interest is payable on outstanding balances at an interest rate of the "Wall Street Journal" Prime rate. Capital One Bank agrees to discount the interest rate on the line of credit to a fixed rate of 3.99% for the first six months. No borrowings occurred during the year ended June 30, 2006, and none have occurred through the date of the independent auditor's report. At June 30, 2006, \$50,000 was available to the Center for borrowings under the line of credit.

SPECIAL REPORTS OF CERTIFIED PUBLIC ACCOUNTANTS

Bourgeois Bennett

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT
OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE
WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Directors,
MacDonell United Methodist Children's Services, Inc.,
Houma, Louisiana.

We have audited the financial statements of MacDonell United Methodist Children's Services, Inc., (the Center), as of and for the year ended June 30, 2006, and have issued our report thereon dated August 23, 2006. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Center's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide an opinion on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Center's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

This report is intended for the information and use of the Board of Directors, management, the Legislative Auditor for the State of Louisiana and various federal and state audit agencies and is not intended to be and should not be used by anyone other than these specified parties. Under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.
