We have audited the accompanying statements of financial position of Ragin' Cajun Facilities, Inc. (a nonprofit organization) as of June 30, 2007 and 2006 and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of the Corporation's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Ragin' Cajun Facilities, Inc. as of June 30, 2007 and 2006, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, we have also issued a report dated August 17, 2007, on our consideration of Ragin' Cajun Facilities, Inc.'s internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other

matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be read in conjunction with this report in considering the results of our audit.

RAGIN' CAJUN FACILITIES, INC.

NOTES TO FINANCIAL STATEMENTS

Note 1. Nature of Organization and Significant Accounting Policies

Nature of organization:

Ragin' Cajun Facilities, Inc. (the "Corporation") is a Louisiana nonprofit corporation chartered in January 2001. Its purpose is to promote, assist and benefit the educational, scientific, research and public service mission of University of Louisiana at Lafayette (the "University"). The objectives of the Corporation are to acquire, construct, develop, manage, lease as lessor or lessee, mortgage and/or convey student housing and other facilities on the campus of the University.

The accompanying financial statements of the Corporation have been prepared on the accrual basis of accounting.

Significant accounting policies:

Allowance for doubtful accounts -

The Corporation considers accounts receivable to be fully collectible; accordingly, no allowance for doubtful accounts is required.

Restricted cash -

The Corporation maintains money market balances required for financing the costs of the development, design, construction and equipping of new student housing and child care facilities (collectively, the "Facilities") for students, faculty and staff of the University, funding a debt service reserve fund, paying capitalized interest on the bonds, and paying costs of issuance of the bonds, including the premium for the Bond Insurance Policy. These reserved amounts are reflected as restricted cash on the statement of financial position. The funds are held in trust and can only be disbursed in accordance with the trust agreement by the trustee.

These money market funds are not bank deposits or obligations, are not guaranteed by the Bank in trust and are not insured by the FDIC, the Federal Reserve Board, or any other government agency and are collateralized by securities held by the pledging financial institutions trust department, but not in the Corporation's name. These funds are reflected as restricted cash on the statement of financial position.

Cash and cash equivalents -

For the purposes of the statement of cash flows, the Corporation considers all highly liquid investments with an original maturity of three months or less when purchased to be cash equivalents.

NOTES TO FINANCIAL STATEMENTS

Property and equipment -

Purchased property and equipment is recorded at cost at the date of acquisition. Depreciation is computed basis over the estimated useful life of the related assets at rates based on the following estimated useful lives:

	<u>Years</u>
Buildings and improvements	30
Appliances, furniture and equipment	10

Interest on debt issued to finance the construction of the Facilities has been capitalized as a part of the project. Investment earnings on temporary investments earned during the construction phase are netted against capitalized interest. All construction costs as of June 30, 2004 are included in construction in progress. Thereafter, the building was placed in service. The Corporation has capitalized interest totaling \$1,461,965. Amortization on capitalized interest is consistent with the depreciation method used for buildings and improvements.

Federal income taxes -

The Corporation qualifies for an exemption from federal income tax under Section 501(c)(3) of the Internal Revenue Code. Therefore, no provision for income taxes is made in the accompanying financial statements.

Use of estimates -

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Note 2. Long-Term Debt

Revenue bonds with an aggregate principal amount of \$19,065,000 were issued by the Lafayette Public Trust Financing Authority and the proceeds were loaned to the Corporation pursuant to a loan agreement dated October 1, 2002. The purchase price of the bonds was \$18,299,854 which represents the original principal amount, less an underwriter's discount of \$152,520, less net original issue discount of \$332,626, and less the bond insurance premium of \$280,000.

NOTES TO FINANCIAL STATEMENTS

Aggregate maturities required on long-term debt, including interest of \$14,316,108 are as follows at June 30:

	<u>Principal</u>	<u>Interest</u>	<u>Total</u>
2008	\$ 370,000	\$ 875,128	\$ 1,245,128

Note 3. Facilities Lease Agreement

The Corporation entered into an agreement to lease the Facilities to the Board of Supervisors of the Louisiana System (the "Board"). The rental payments under this lease are to be paid semiannually (March 15 and September 15) and include a base rental equal to the sum of the principal of, premium, if any, and interest due and payable on the bonds on the following April 1 or October 1. The future minimum rental payments to be received as base rental payments are the amounts as reflected in Note 2 above. In addition to the base rental, the Board will pay additional rental of any and all expenses, of every nature, character, and kind whatsoever, incurred by the Corporation, on behalf of the Board, and/or by the Board or Ragin' Cajun Facilities in the management, operation, ownership, and/or maintenance of the Facilities.

Note 4. Ground Lease Agreement

To the Board of Directors  
Ragin' Cajun Facilities, Inc.  
Lafayette, Louisiana

We have audited the financial statements of Ragin' Cajun Facilities, Inc. (a nonprofit organization) as of and for the years ended June 30, 2007 and 2006, and have issued our report thereon dated August 17, 2007. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

**Internal Control Over Financial Reporting**

In planning and performing our audit, we considered Ragin' Cajun Facilities, Inc.'s internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

Compliance

As part of obtaining reasonable assurance about whether Ragin' Cajun Facilities, Inc.'s financial statements are free of material misstatement, we performed test of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

This report is intended solely for the information of management, others within the organization, federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.
