REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors Ouachita Multi-Purpose Community Action Program, Inc. Monroe, Louisiana

We have audited the financial statements of Ouachita Multi-Purpose Community Action Program, Inc. (a nonprofit organization) as of and for the year ended December 31, 2008, and have issued our report thereon dated December 31, 2009. We conducted our audit in accordance with accounting standards generally accepted in the United States of America applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Ouachita Multi-Purpose Community Action Program, Inc.'s internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Ouachita Multi-Purpose Community Action Program, Inc.'s internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Agency's internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the Agency's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally

MEMBER AMERICAN INSTITUTE OF CERTIFIED PUBLIC ACCOUNTANTS and SOCIETY OF LOUISIANA CERTIFIED PUBLIC ACCOUNTANTS

accepted accounting principles, such that there is more than a remote likelihood that a misstatement of the Agency's financial statements that is more than inconsequential will not be prevented or detected by the Agency's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the Agency's internal control.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Ouachita Multi-Purpose Community Action Program, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed an instance of noncompliance or other matters that is required to be reported under Auditing Standards, and which is described Government accompanying schedule of findings and questioned costs as item 08-1.

Ouachita Multi-Purpose Community Action Program, Inc.'s response to the finding identified in our audit is described in the accompanying schedule of findings and questioned costs. We did not audit Ouachita Multi-Purpose Community Action Program, Inc.'s response and, accordingly, we express no opinion on it.

This report is intended for the information of the audit committee, management, and federal awarding agencies and pass-through entities, and is not intended to be and should not be used by anyone other than these specified parties. However, under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.

REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

Board of Directors Ouachita Multi-Purpose Community Action Program, Inc. Monroe, Louisiana

Compliance

We have audited the compliance of Ouachita Multi-Purpose Community Action Program, Inc. (a nonprofit organization) with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement that are applicable to each of its major federal programs for the year ended December 31, 2008. Ouachita Multi-Purpose Community Action Program, Inc.'s major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts, and grants applicable to each of its major federal programs is the responsibility of Ouachita Multi-Purpose Community Action Program, Inc.'s management. Our responsibility is to express an opinion on Ouachita Multi-Purpose Community Action Program, Inc.'s compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes

examining, on a test basis, evidence about Ouachita Multi-Purpose Community Action Program, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of Ouachita Multi-Purpose Community Action Program, Inc.'s compliance with those requirements.

As described in item 08-1 in the accompanying schedule of findings and questioned costs, Ouachita Multi-Purpose Community Action Program, Inc. did not comply with requirements regarding cost principles that are applicable to its Head Start and CSBG programs. Compliance with such requirements is necessary, in our opinion, for Ouachita Multi-Purpose Community Action Program, Inc. to comply with requirements applicable to these programs.

In our opinion, except for the noncompliance described in the preceding paragraph, Ouachita Multi-Purpose Community Action Program, Inc. complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the year ended December 31, 2008.

Internal Control Over Compliance

The management of Ouachita Multi-Purpose Community Action Program, is responsible for establishing and maintaining internal control over compliance with the requirements of regulations, contracts, and grants applicable to federal programs. In planning and performing our audit, we considered Ouachita Multicontrol Action Program, Inc.'s internal Community Purpose compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Ouachita Multi-Purpose Community Action Program, Inc.'s internal control over compliance.

A control deficiency in an entity's internal control over compliance exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect noncompliance with a type of compliance requirement of a federal program on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to administer a federal program such that there is more than a remote likelihood that noncompliance with a type of compliance requirement of a federal program that is more than inconsequential will not be prevented or detected by the entity's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that material noncompliance with a type of compliance requirement or a federal program will not be prevented or detected by the entity's internal control.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

Ouachita Multi-Purpose Community Action Program, Inc.'s response to the finding identified in our audit is described in the accompanying schedule of findings and questioned costs. We did not audit Ouachita Multi-Purpose Community Action Program, Inc.'s response and, accordingly, we express no opinion on it.

This report is intended solely for the information and use of management, Board of Directors, the audit committee, and federal awarding agencies and pass-through entities, and is not intended to be and should not be used by anyone other than these specified parties. However, under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.

B. Basis of Accounting

The financial statements of OMCAP have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

C. Basis of Presentation

Under SFAS No. 117, the Agency is required to report information regarding its

financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

D. Income Taxes

OMCAP is a nonprofit corporation and is exempt from state and federal income taxes under Section 501(c)(3) of the Internal Revenue Code. However, income from certain activities not directly related to OMCAP's tax-exempt purpose is subject to taxation as unrelated business income. OMCAP had no such income for this audit period.

E. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

F. Cash and Cash Equivalents

For purposes of the Statement of Cash Flows, OMCAP considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents.

G. Property and Equipment

Acquisitions of buildings, equipment, and improvements and all expenditures for repairs, maintenance, and betterments in excess of \$500 that materially prolong the useful lives of assets are capitalized. Capitalized

assets are stated at cost or, if donated, at the approximate fair value at the date of donation. Depreciation is computed using the straight-line method over the estimated useful life of each asset.

The Federal Government has a reversionary interest in property purchased with federal funds. Its disposition as well as the ownership of any proceeds there from is subject to federal regulations. The use of assets purchased with federal funds is limited to the purposes intended by the funding agency.

H. Revenue and Support

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions. Contractual grant revenue is reported as unrestricted support due to the restrictions placed on those funds by the funding sources being met in the same reporting period as the revenue is earned.

Support that is restricted by the donor is reported as increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or accomplished), temporarily restriction is restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

I. Functional Allocation of Expenses

The costs of providing the various programs and activities have been summarized on a functional basis in the Statement of Activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Management has determined that fund-raising expenses are not material.

J. Advertising Costs

Advertising costs are expensed as they are incurred. Advertising expenses for the year ended December 31, 2008 are immaterial.

K. Total Columns of Combined Statements - Supplementary Information

Total columns on the combined statements - overview are captioned "memorandum only" to indicate that they are presented only to help with financial analysis. Data in these columns do not present financial position, results of operations, or changes in financial position in conformity with generally accepted accounting principles. Neither is such data comparable to a consolidation. Interfund eliminations have not been made in the aggregation of this data.

NOTE 2 - FUNDING POLICIES AND SOURCES OF FUNDS:

The Agency receives its monies through various methods of funding. Most of the funds are received on a grant basis. Under this method funds are received as needed or on a monthly or quarterly allocation of the total budget (grant) in advance of the actual expenditure. The Agency also receives funds as a reimbursement of actual expenditures, and upon a per unit of service provided method. The Agency also receives funds by contributions from both public and private sources. The loss of any of the large sources could have a negative effect on the Agency.
