INDEPENDENT ACCOUNTANT'S REPORT

Northeast Economic Development District
Lake Providence, Louisiana

I have compiled the accompanying balance sheet of Northeast Economic Development District as of December 31, 2001, and the related statement of revenue, expenditures and changes in fund balances for the year then ended, and the accompanying supplementary information, which is presented only for supplementary analysis purposes, in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants.

A compilation is limited to presenting in the form of financial statements and supplementary schedules, information that is the representation of the management. I have not audited or reviewed the accompanying financial statements and supplementary schedules and, accordingly, do not express an opinion or any other form of assurance on them.

Management has elected to omit substantially all of the disclosures required by generally accepted accounting principles. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the company's financial position and results of operations. Accordingly, these financial statements are not designed for those who are not informed about such matters.
