INDEPENDENT AUDITOR'S REPORT

Board of Directors
Family and Youth Counseling Agency, Inc.

Report on the Financial Statements

I have audited the accompanying financial statements of Family and Youth Counseling Agency, Inc., (a non-profit organization) as of December 31, 2012, and the related notes to the financial statements, which collectively comprise the Organization's financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express opinions on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Family and Youth Counseling Agency, Inc. as of December 31, 2012 and the respective changes in financial position and cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Board of Directors
Family and Youth Counseling Agency, Inc.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, I have also issued a report dated April 10, 2013 on my consideration of Family and Youth Counseling Agency, Inc.'s internal control over financial reporting and my tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of my testing of internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Family and Youth Counseling Agency, Inc.'s internal control over financial reporting and compliance.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of Family and Youth Counseling Agency, Inc. (the Agency) is presented to assist in understanding the Agency's financial statements. The financial statements and notes are representations of the Agency's management, who is responsible for their integrity and objectivity. These accounting policies conform to generally accepted accounting principles and have been consistently applied in the preparation of the financial statements.

A. Nature of Activities

The Family and Youth Counseling Agency, Inc. is a Louisiana not-for-profit corporation that operates under a Board of Directors which appoints an Executive Director and otherwise controls and guides the Agency. The Agency serves as an "umbrella" organization for several family assistance and counseling programs, as follows:

Autism Support Alliance promotes access and opportunities for persons with autism and their families to be fully included as participating members of their communities. As such, the alliance supports the family's plan and empowers the family in negotiating the systems of health care, social service and education resources.

Court Appointed Special Advocates (CASA) are volunteers who speak in court for a child's best interest. Judges appoint a CASA volunteer to an abused or neglected child who has been removed from his or her home. The CASA volunteer helps to ensure that the child receives appropriate care, whether from a foster home or relative's home while he or she is in the court system. Volunteers are trained and supported by CASA staff.

Children's Advocacy Center is a child-friendly facility designed to coordinate services for children who have been reported as sexually or severely physically abused. Designed and managed to reduce the effects of trauma, the center's comfortable environment and well-trained staff work together with area prosecutors, law enforcement agents, social service workers, therapists, victim advocates and medical professionals to investigate child abuse allegations and reduce the number of investigative interviews typically experienced by victims.

The Counseling Center's licensed and professionally credentialed clinicians and para-professionals provide a wide range of constructive and life-changing services in the form of counseling, consultation, and education to benefit individuals, couples, and families in Southwest Louisiana. Based on the belief that all individuals possess the ability to solve their own challenges and live a healthy life when support is available, counselors and case managers utilize a strength-based, client-directed and outcome-informed approach. The overriding goal is to support and encourage the development of greater well-being among the citizens of Southwest Louisiana.

Children & Families Action Network (CFAN) exists to promote mission-based advocacy for the purpose of increasing civic engagement and participation to effect changes in public policy on behalf of children, families and communities.

A. Nature of Activities (Continued)

The Leadership Center for Youth provides guidance, leadership development, career exploration and civic engagement opportunities to facilitate the youth's success and involvement in the community. Committed to shaping today's youth into strong leaders for tomorrow, The Leadership Center provides opportunities for positive youth development.

Performance Employee Assistance and Business Services provides high-quality, affordable human support services to leading businesses in Southwest Louisiana. Multiple and single behavioral risk factors are identified and addressed by employee assistance counselors who consider the impact of personal problems in the workplace. Through counseling, consultation and well-designed training, performance professionals take care of the heart and soul of area businesses so that businesses can pay attention to their bottom line.

B. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

C. Basis of Accounting

The financial statements of the Agency have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

D. Basis of Presentation

Financial statement presentation follows the recommendations of the FASB ASC Topic 958 (formally) SFAS No. 117, Financial Statements of Not-for-Profit Organizations. Under FASB ASC Topic 958, the Agency is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

E. Cash and Cash Equivalents

For purposes of the Statements of Cash Flows, the Agency considers all unrestricted, highly liquid investments with an initial maturity of three months or less to be cash equivalents.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

F. Donated Property and Equipment

Donations of property and equipment are recorded as support at their estimated fair value at the date of donation. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restriction regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, the Agency reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Agency reclassifies temporarily restricted net assets to unrestricted net assets at that time.

G. Donated Services

Donated services are recognized as contributions in accordance with FASB ASC 958-605-15 (formally) SFAS No. 116, *Accounting for Contributions Received and Contributions Made*, if the services (a) create or enhance non-financial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Agency. Included in the financial statements are donated services valued at \$33,409 for the Child Advocacy, CASA, and Counseling programs. Volunteers also provided various services throughout the year that are not recognized as contributions in the financial statements since the recognition criteria under FASB ASC 958-605-15 were not met.

H. Income Taxes

The Agency is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. In addition, the Agency qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization that is not a private foundation under Section 509(a)(2).

I. Investments

Investments in marketable equity securities with readily determinable fair values are stated at fair market value. Donated investments are reflected as contributions at their market values at date of receipt. Unrealized gains and losses are included in the change in net assets in the accompanying Statement of Activities.

J. Promises to Give

Unconditional promises to give are recognized as revenues, or gains in the period received and as assets, decreases of liabilities, or expenses depending on the form of the benefits received. Conditional promises to give are recognized when the conditions on which they depend are substantially met. At December 31, 2012, the unconditional promise to give of \$147,904 was from United Way of Southwest Louisiana. These funds will be received in the year 2013 but are recorded as temporary restricted revenues for the year ended December 31, 2012 in accordance with FASB ASC 958-605-15, *Accounting for Contributions Received and Contributions Made*.

FAMILY AND YOUTH COUNSELING AGENCY, INC.
Lake Charles, Louisiana
Notes to Financial Statements (Continued)
December 31, 2012

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

K. Restricted and Unrestricted Revenue Support

Contributions received are recorded as unrestricted, temporarily unrestricted, or permanently restricted support, depending on the existence and/or nature of any donor restriction.

Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions. In the event that restricted support is received in the same period as the restriction lapses, the agency follows the practice of reporting the support as unrestricted.

L. Property and Equipment

All acquisitions of property and equipment in excess of \$500 and all expenditures for repairs, maintenance, renewals, and betterment that materially prolong the useful lives of assets are capitalized. Property and equipment are stated at cost. The Agency uses straight-line depreciation.

M. Concentration of Revenue and Support

The majority of the funding for the Agency's programs is provided by the United Way of Southwest Louisiana (17%) and various federal, state, and local grants on a year-by-year basis. In addition, the Agency derives its program fees from the geographic region of Southwest Louisiana encompassing five parishes.

N. Fair Values of Financial Instruments

The Agency has a number of financial instruments, none of which is held for trading purposes. The Agency estimates that the fair value of all financial instruments at December 31, 2012 does not differ materially from the aggregate carrying values of its financial instruments recorded in the accompanying balance sheet. The estimated fair value amounts have been determined by the Agency using available market information and appropriate valuation methodologies. Considerable judgment is necessarily required in interpreting market data to develop the estimates of fair value, and, accordingly, the estimates are not necessarily indicative of the amounts that the agency could realize in a current market exchange. The recorded values of cash and cash equivalents, accounts receivable, and accounts payable approximate their fair values based on their short-term nature. The recorded values of notes payable approximate their fair value, as interest is insignificant.

NOTE 2 - LONG TERM LIABILITIES

The note payable for the Agency at December 31, 2012 consisted of the following:

The Joe W. and Dorothy Dorsett Brown Foundation
New Orleans, Louisiana:

The Agency received a loan from the Brown Foundation in which the Foundation advanced Funds of \$500,000 for the construction of a new facility. The terms of this loan require repayment in annual installments of \$25,000 over a 20 year period with no stated interest. Imputed interest on these advances does not apply because the present value of the debt service is presumed to equal the cash received	\$ 75,000
Less current maturities	<u>25,000</u>
Total long-term portion	<u>\$ 50,000</u>

The following is a schedule of principal payments on long-term debt for the five years subsequent to December 31, 2012:

Year Ending December 31:

2013	\$25,000
2014	25,000
2015	<u>25,000</u>
Total	<u>\$75,000</u>

NOTE 3 - FUND RAISING

Certain publicity and promotion activities were undertaken in the year, which also serves as fund raising events. Total fund raising for 2012 yielded \$166,449 with the cost of these activities being \$301,929, which included the partial costs of salaries of employees involved in fund raising efforts. These fund raising expenses are included in the Statement of Functional Expenses in the categories to which they relate.

Notes to Financial Statements (Continued)

NOTE 4 - EXPENSE ALLOCATION METHODS

Expenses were allocated in the accompanying financial statements to program and administrative functional expense groups. The methods of allocation were based on the Agency's estimates of the relative proportion of various staff members' time and effort between program and administrative functions as well as the Agency's estimates of the amount of each expense utilized for the program or administrative functions.

NOTE 5 - CONCENTRATION OF RISK

Financial instruments that potentially subject the Agency to concentrations of credit risk consist principally of promises to give receivable. Amount receivable from promises to give at December 31, 2012 consists of \$147,904 from the United Way of Southwest Louisiana.

The Agency also has exposure for credit risk with regard to the investments in mutual funds with fair market values totaling \$346,918 because those funds are not insured against market risk.

NOTE 6 - PROMISES TO GIVE

During the year ended December 31, 2012, the Agency received its 2013 United Way allocation. This allocation is temporarily restricted at time of receipt and is properly reflected in the accompanying statement of activities as an increase in temporarily restricted net assets. Uncollectible allocations are expected to be insignificant.

Unconditional promises to give at December 31, 2012 are as follows:

Receivable in less than one year	\$147,904
Total unconditional promises to give	<u>147,904</u>
Less discounts to net present value	-
Less allowance for uncollectible promises receivable	-
Net unconditional promises to give at December 31, 2012	<u>\$147,904</u>

NOTE 7 - RETIREMENT COMMITMENTS

The Agency contributes to a defined contribution plan through Mutual of America Life Insurance Company. Full time employee membership is mandatory as a condition of employment. Eligibility requirements consist of minimum age of 21 and 1000 hours of service. Participants are fully vested upon completion of 3 years of service.

The Agency is required to contribute 9.5% of the participants' compensation. Non-deductible voluntary employee contributions are not permitted. Total contributions made by the Agency for 2012 were \$109,304. Mutual of America Life Insurance Company issues an annual financial report that includes financial statements and required supplementary information for the plan. That report is available upon request.

NOTE 8 - INVESTMENTS

The Agency applies generally accepted accounting principles (GAAP) for fair value measurements of financial assets that are recognized at fair value in the financial statements on a recurring basis. GAAP establishes fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). The three levels of fair market hierarchy are as follows:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities the Agency has the ability to access.

Level 2 inputs are inputs (other than quoted prices in Level 1) that are observable for the asset or liability, either directly or indirectly.

Level 3 are unobservable inputs for the asset or liability and rely on management's own assumptions about the assumptions that market participants would use in pricing the asset or liability. The unobservable inputs should be developed based on the best information available.

The fair value and cost measured on a recurring basis of investments as of December 31, 2012:

	Fair Value	Cost
Level 1 in active markets:		
Edward Jones – American Funds	\$ 346,918	\$ 302,917
Iberia Bank - CD's	38,544	38,544
Merchant and Farmers Bank – CD's	51,000	51,000
Capital One Bank – CD's	105,895	105,895
Total Investments	<u>\$ 542,357</u>	<u>\$ 498,356</u>

Investment return for the year ended December 31, 2012 is summarized as follows:

Interest Income	\$ 2,216
Realized Gain (Loss)	-
Net Unrealized Gain (Loss) on Investments	44,001
Total Unrestricted Investment Income	<u>\$ 46,217</u>

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

The Board of Directors
Family and Youth Counseling Agency, Inc.
Lake Charles, Louisiana

I have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Family and Youth Counseling Agency, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2012, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued my report thereon dated April 10, 2013.

Internal Control Over Financial Reporting

In planning and performing my audit, I considered the Family and Youth Counseling Agency, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Agency's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

My consideration of the internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit I did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Family and Youth Counseling Agency, Inc.'s, financial statements are free of material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts, and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit, and accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.
