INDEPENDENT AUDITOR'S REPORT

To the Board of Commissioners
Housing Authority of the Parish of Caldwell
Columbia, Louisiana

I have audited the accompanying governmental activities of each major fund, and the aggregate remaining fund information of the Housing Authority of the Parish of Caldwell as of and for the year ended March 31, 2014, and the related notes to the financial statements, which collectively comprise the Housing Authority's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express opinions on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend in the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. I believe that the audit evidence I obtained is sufficient and appropriate to provide a basis for my audit opinions.

Opinions

In my opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of each major fund, and the aggregate remaining fund information of the Housing Authority of the Parish of Caldwell, as of March 31, 2014, and the respective changes in financial position and cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis information on pages 5–10, be presented to supplement the financial statements. Such information, although not part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. I have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consists of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge I obtained during my audit. I do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide an assurance.

Other Information

My audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Housing Authority's basic financial statements. The accompanying Schedule of Expenditures of Federal Awards, which is required by U.S. Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations, is presented for the purpose of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in my opinion, is fairly stated, in all material respects, in relation to the financial statements themselves, and other procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the Schedule of Expenditures of Federal Awards are fairly stated in all material respects in relation to the financial statements taken as a whole.

The accompanying Financial Data Schedules (FDS), required by HUD as other supplemental information is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements themselves, and other procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the Financial Data Schedule (FDS), is fairly stated in all material respects, in relation to the basic financial statements taken as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, I have also issued my report dated September 26, 2014 on my consideration of the Housing Authority of the Parish of Caldwell's internal control over financial reporting and on my tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Governmental Auditing Standards in considering the Housing Authority's internal control over financial reporting and compliance.

REQUIRED SUPPLEMENTAL INFORMATION

Management's Discussion and Analysis (MD&A)
Housing Authority of Caldwell Parish
March 31, 2014

As management of the Housing Authority, we offer readers of the Housing Authority's financial statements this narrative overview and analysis of the financial activities of the Housing Authority for the fiscal year ended March 31, 2014. All amounts, unless otherwise indicated, are rounded to the nearest dollar.

FINANCIAL HIGHLIGHTS

- The assets of the Housing Authority exceeded its liabilities at the close of the most recent financial by \$686,296 (net assets). Of this amount, \$47,240 (unrestricted net assets) that may be used to meet the government's ongoing obligations to citizens and creditors, \$37,955 (restricted) for Housing Assistance Payments.
- The net position of the low rent and capital fund decreased \$78,542 (12%), due to a decrease in dwelling rentals and decrease in expenses. Net position of the Section 8 program decreased \$14,171 (22%) increase in HAP payments and HUD recapture of PHA held funds.

OVERVIEW OF THE FINANCIAL STATEMENTS

This discussion and analysis is intended to serve as an introduction to the Housing Authority's financial statements. The Housing Authority's basic financial statements are comprised of two components. 1) Fund financial statements, and 2) notes to the financial statements. This report also contains other supplementary information in addition to the basic statements themselves. The Housing Authority is a special purpose government engaged only in business-type activities. Accordingly, only fund financial statements are presented as the basic financial statements.

FUND FINANCIAL STATEMENTS

A *fund* is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The Housing Authority, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds of the Housing Authority are reported as propriety fund types.

USING THIS ANNUAL REPORT

The Housing Authority's annual report consist of financial statements to show information about the Housing Authority's most significant funds-such as the Housing Authority's general fund, and tenant-based Section 8 funds.

Management's Discussion and Analysis (MD&A)
Housing Authority of Caldwell Parish
March 31, 2014

Our auditors have provided assurance in their independent auditors' report, located immediately preceding this Management's Discussion and Analysis, that the basic financial statements are fairly stated. Varying degrees of assurance are being provided by the auditors, regarding the other information included in this report. A user of this report should read the independent auditor's report carefully to determine the level of assurance provided for each of the parts of this report.

Reporting the Housing Authority's Most Significant Funds

The Housing Authority's financial statements provide detailed information about the most significant funds. Some funds are required to be established by the Department of Housing and Urban Development (HUD). However, the Housing Authority establishes other funds to help to control and manage money for particular purposes, or to show that it is meeting legal responsibilities for using grants and other money. The Housing Authority's enterprise funds use the following accounting approach:

Proprietary funds- All of the Housing Authority's services are reported in enterprise funds. They are reported using the full accrual method of accounting in which all assets and all liabilities associated with the operation of these funds are included on the balance sheet. The focus of proprietary funds is on income measurement, which, together with the maintenance of equity, is an important financial indication.

FINANCIAL ANALYSIS

The Housing Authority's net position were \$686,296 at March 31, 2014. Of this amount, \$601,101 was invested in capital assets, \$47,240 was unrestricted and \$37,955 restricted for Housing Assistance Payments.

As we noted earlier, the Housing Authority uses funds to help control and manage money for particular purposes. The general fund is used to account for the public housing program. The Capital fund accounts for the capital funds program. The Section 8 Program Housing Choice Voucher program is accounted for separately. Our analysis below focuses on the net assets and the change in net assets of the primary government as a whole.

The Statement of Net Position is presented in the format of assets, liabilities and net position. The focus of the Statement of Net Position is to show the net position (assets less liabilities). Net position is broken down between:

- Net investments in Capital Assets – Capital Assets-(land, construction or improvements) reduced by outstanding debt, if any.
- Restricted – Amounts restricted by a creditor, laws or regulations
- Unrestricted - Net position that does not meet the other definitions.

Management's Discussion and Analysis (MD&A)
Housing Authority of Caldwell Parish
March 31, 2014

Total revenues increased \$16,879 mainly due to:

- Decrease in Rental Income \$13,254 (9.1%) due to decrease in working families
- Decrease in HUD Operating Subsidy \$30,605 (7.9%) for new HUD subsidy formula and decrease in Congressional funding..
- Increase in Capital funding \$8,905 (7%) due to CFP work done.
- Increase in HAP and Admin Fees \$45,112 (9.8%) due to HAP increases, but Congressional Admin Fee decreases

Total operating Expenses increased \$16,890 (1.5%) mainly due to:

- Decrease in Administrative expenses \$9,580 (3.8%) in salary increases and decrease in office expenses.
- Increase in Maintenance and Extraordinary maintenance expenses \$6,704 (3.4%) due to Maintenance Employee hiring at end of year
- Decrease in General Expense \$33,867 (25.1%) due to insurance dividend and decrease in Workmen's Compensation for employee settlement.
- Increase in Housing Assistance payment from increased leaseup and increase in HUD funding

Net Position therefore decreased \$92,713 or by 11.9% due to increased Section 8 leasing and a slight increase in Capital Fund work.

CAPITAL ASSET AND DEBT ADMINISTRATION

Capital Assets

At March 31, 2014 the Housing Authority had \$601,101 invested in a broad range of capital assets, including land, buildings, and furniture and equipment. This amount represents a net decrease (including additions, deductions, and depreciation) of \$58,550 or 8.9% from last year.

Capital Assets	
Year Ended March 31, 2014	
(Net of Depreciation)	
Land	\$ 75,495
Buildings	442,213
Leasehold Improvements	18,025
Furniture and equipment	62,168
Construction in Progress	3,200
Total	601,101

Capital Expenditures of \$27,366 were added from the Capital Fund and Low Rent program. This was offset with depreciation of \$85,915.

Management's Discussion and Analysis (MD&A)
Housing Authority of Caldwell Parish
March 31, 2014

Major capital projects planned for March 31, 2015 include capital funding of at least \$120,000 of budgeted projects.

No debt was issued for these additions.

Debt

The Housing Authority has not incurred any mortgages, leases, or bond indentures for financing capital assets or operations. Accrued annual leave is available to Housing Authority employees.

ECONOMIC FACTORS

The Housing Authority is primarily dependent upon HUD for the funding of operations; therefore, the Housing Authority is affected more by the Federal budget than by local economic conditions. The budgets for March 31, 2015 have already been complete and no major changes are expected.

The Capital fund programs are multiple year budgets and have remained relatively stable although funding has decreased over the years. Capital funds are used for the modernization of public housing properties including administrative fees involved in the modernization.

The Section 8 program is mainly affected by the federal budgets as well as by the rental market of the community, which it serves. This can affect the number of families leased to as well as the Housing Assistance Payments paid by the Housing Authority.

NOTES TO FINANCIAL STATEMENTS
MARCH 31, 2014**

INTRODUCTION

Housing Authorities are chartered as a public corporation under the laws (LSA-RS 40:391) of the State of Louisiana for the purpose of providing safe and sanitary housing and related facilities for eligible low-income families and the elderly. This creation was contingent upon the local governing body of the city or parish declaring a need for the Housing Authority to function in such city or parish. The Housing Authority is governed by a five member Board of Commissioners. The members serve a staggered term of four years.

Under the United States Housing Act of 1937, as amended, the U. S. Department of Housing and Urban Development (HUD) has direct responsibility for administering low-rent housing programs in the United States. Accordingly, HUD has entered into an annual contributions contract with the Housing Authority for the purpose of assisting the Housing Authority in financing the acquisition, construction and leasing of Housing Units and to make annual contributions (subsidies) to the Housing Authority for the purpose of maintaining this low-rent character.

The Housing Authority participates in Section 8 housing assistance payment programs. The rental certificate and moderate rehabilitation programs provide assistance to low-income persons seeking housing by subsidizing rents between tenants and owners of existing private housing. Under these two programs, the Housing Authority enters into housing assistance payment contracts with landlords. Section 8 Rental Voucher Program, another Section 8 housing assistance program, provides assistance to low-income families. The program provides for a voucher which can be used by the tenant to pay rent to any landlord he chooses.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements of the Housing Authority of the Parish of Caldwell have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles.

HOUSING AUTHORITY OF THE PARISH OF CALDWELL
COLUMBIA, LOUISIANA
NOTES TO FINANCIAL STATEMENTS
MARCH 31, 2014

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Financial Reporting Entity

GASB Statement No. 14 established criteria for determining the governmental reporting entity and component units that should be included within the reporting entity. Because the Housing Authority is legally separate and fiscally independent by being solely accountable for fiscal matters, including (1) budget authority, (2) responsibility for funding deficits and operating deficiencies, (3) fiscal management for controlling the collection and disbursement of funds, and (4) the authority to issue debt, the Housing Authority is a separate governmental reporting entity. Based on the foregoing criteria, no entities were identified as component units of the Authority.

The Housing Authority is a related organization of the Parish of Caldwell since the Parish of Caldwell appoints a voting majority of the Housing Authority's governing board. The Parish of Caldwell is not financially accountable for the Housing Authority as it cannot impose its will on the Housing Authority and there is no potential for the Housing Authority to provide financial benefit to, or impose financial burdens on, the Parish of Caldwell. Accordingly, the Housing Authority is not a component unit of the financial reporting entity of the Parish of Caldwell.

Governmental Accounting Standards Board (GASB) Codification Section 2100 establishes criteria for determining which, if any, component units should be considered part of the Housing Authority for financial reporting purposes. The basic criterion for including a potential component unit within the reporting entity is financial accountability. The GASB has set forth criteria to be considered in determining financial accountability, which includes:

1. Appointing a voting majority of an organization's governing body, and:
 - a. The ability of the Housing Authority to impose its will on that organization and/or
 - b. The potential for the organization to provide specific financial benefits to or impose specific financial burdens on the Housing Authority.
2. Organizations for which the Housing Authority does not appoint a voting majority but are fiscally dependent on the Housing Authority.
3. Organizations for which the reporting entity financial statements would be misleading if data of the organization is not included because of the nature or significance of the relationship.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Funds

The accounts of the Housing Authority are organized and operated in the basis of funds. A fund is an independent fiscal and accounting entity with a self-balancing set of accounts. Fund accounting segregates funds according to their intended purpose and is used to aid management in demonstrating compliance with finance-related legal and contractual provisions. The minimum number of funds are maintained consistent with legal and managerial requirements.

The transactions of the Housing Authority are reported in a proprietary Enterprise Fund. The general fund accounts for the transactions of the Public Housing Low Rent and the Capital Fund program. The Housing Choice Voucher fund accounts for the Section 8 Housing Choice Voucher program.

Measurement Focus and Basis of Accounting

Proprietary Funds - Proprietary funds are accounted for on the flow of economic resources measurement focus and the accrual basis of accounting. Under this method, revenue are recorded when earned and expenses are recorded at the time the liabilities are incurred. With this measurement focus, all assets and all liabilities associated with the operation of these funds are included on the balance sheet. Operating statements of these funds present increases and decreases in net current assets. The Authority applies all Governmental Accounting Standards Board (GASB) pronouncements as well as Financial Accounting Standards Board (FASB) statements and interpretations issued on or before November 30, 1989, unless the pronouncements conflict with or contradict GASB pronouncements.

Proprietary funds distinguish operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary funds' principal ongoing operations. According to the Authority's policy, governmental operating grants are considered operating revenues. The other principal operating revenues of the Housing Authority are rent and maintenance charges to residents and operating fees earned. Operating expenses for proprietary funds include the administrative costs of providing the service and the housing assistance payments. All revenues and expenses not meeting this definition, are reported as non-operating revenues and expenses.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Measurement Focus and Basis of Accounting (Continued)

The following practices in recording revenues and expenses are used:

Revenues

Federal entitlements are recorded as unrestricted grants-in-aid when available and measurable. Federal restricted grants are recorded when the reimbursable expenses have been incurred.

Rental income is recorded in the month earned.

Interest earnings on time deposits are recorded when the time deposits have matured and the interest is available. Interest income on interest bearing demand deposits is recorded each month when credited by the bank to the account.

Substantially all other revenues are recorded when they become available to the Housing Authority.

Expenses

Salaries are recorded as expenses when incurred.

Purchases of various operating supplies are recorded as expenses in the accounting period they are consumed.

Principal and interest on debt are recognized when incurred.

Substantially all other expenses are recognized when the related fund liability has been incurred.

Deferred Revenues

The Housing Authority reports deferred revenues on its balance sheet. Deferred revenues arise when resources are received by the Housing Authority before it has a legal claim to them, as when grant monies are received prior to the incurrence of qualifying expenses. In subsequent periods, when the Housing Authority has a legal claim to the resources, the liability for deferred revenue is removed from the balance sheet and the revenue is recognized.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Budgets and Budgetary Accounting

Annual budgets are prepared. Periodic comparison reports are prepared and actual expenses are compared to budgeted amounts. These reports are prepared to assist management in controlling the day-to-day operation of the Housing Authority.

The Authority is required by its HUD Annual Contributions Contracts to adopt annual budgets for the Low-Rent Housing Program and the Section 8 Programs. Annual budgets are not required for CIAP grants as their budgets are approved for the length of the project.

The Authority is under a limited budget review from HUD with the control category of total operating expenditures. If there are no overruns of the total operating expenditures, then HUD does not require budget revisions other than when there are substantial additions to nonroutine expenditures.

Encumbrances

Encumbrance accounting, under which purchase orders are recorded in order to reserve that portion of the applicable appropriation, is not employed. However, outstanding purchase orders are taken into consideration before expenditures are incurred in order to assure that applicable appropriations are not exceeded. In addition, the monthly budget reports are reviewed to ensure compliance with the budget, and where necessary, revisions to the budget are made.

Cash and Cash Equivalents

Cash includes amounts in demand deposits and interest-bearing demand deposits. Cash equivalents include amounts in time deposits and cash with fiscal agent. Under state law, the Housing Authority may deposit funds in demand deposits, interest-bearing demand deposits, money market accounts, or time deposits with state banks organized under Louisiana law and national banks having their principal offices in Louisiana.

Under state law, the Housing Authority may invest in United States bonds, treasury notes, or certificates. These are classified as investments if their original maturities exceed 90 days; however, if the original maturities are 90 days or less, they are classified as cash equivalents. Investments are stated at cost.

Allowance for Doubtful Accounts

The allowance for doubtful accounts is determined on information available at the time which would indicate the uncollectibility of the accounts receivable.

Prepaid Items

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items.

Fixed Assets

Fixed assets are recorded at the time they are purchased or constructed, and the related assets are capitalized (reported) in the general fixed assets account group. Public domain or infrastructures such as sidewalks and parking lots are capitalized. Interest expense during construction is capitalized.

Tenant Receivables

Receivables for rentals and services charges are reported on the balance sheet, net of allowance for doubtful accounts.

Compensated Absences

Employees earn annual leave based upon years of services, and may accrue up to 300 hours. Sick time is earned but not accrued since it is dependent upon a future event. Upon termination all accrued vacation time is paid. At March 31, 2014 the CPHA had a liability of \$26,521, of which \$7,745 is current. Only the \$4,511 increase is recognized as a current year expense in these financial statements.

Reserves

Reserves represent those portions of fund equity not appropriable for expenses or legally segregated for a specific future use.

Income Taxes

No provision is made for income taxes since the Housing Authority of the Parish of Caldwell is a governmental entity in the State of Louisiana.

Restricted Net Position

Net position is reported as restricted when constraints placed on net position are either externally imposed by creditors (such as debt covenants), grantors, contributors, or laws or regulations of other governments or imposed by law through constitutional provisions or enabling legislation. Restricted resources are used first when an expense is incurred for purposes which both restricted and unrestricted net position is available.

NOTE 2 – USE OF ESTIMATES IN THE PREPARATION OF FINANCIAL STATEMENTS

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues, expenses and other financing sources and uses during the reporting period. Accordingly, actual results could differ from those estimates.

NOTE 3 - CASH AND CASH EQUIVALENTS

At March 31, 2014, the Housing Authority had cash and cash equivalents totaling \$78,659 as follows:

Cash on hand	\$ 50
Carrying amount of deposits	<u>78,609</u>
Total	<u>\$ 78,659</u>
Cash and cash equivalents	\$ 32,429
Cash and cash equivalents - restricted	<u>46,230</u>
Total	<u>\$ 78,659</u>

These deposits are stated at cost, which approximates market. Under state law, these deposits (or the resulting bank balances) must be secured by federal deposit insurance or the pledge of securities owned by the fiscal agent bank. The market value of the pledged securities plus the federal deposit insurance must at all times equal the amount on deposit with the fiscal agent. These securities are held in the name of the pledging fiscal agent bank in a holding or custodial bank that is mutually acceptable to both parties.

The entity's deposits are categorized to give an indication of the level of risk assumed by the entity at March 31, 2013.

The categories are described as follows:

Category 1— Insured or collateralized with securities held by the entity or by its agent in the entity's name.

Category 2 – Collateralized with securities held by the pledging financial institution's trust department or agent in the entity's name.

Category 3 – Uncollateralized, uninsured and unregistered, but with securities held by the bank, its trust department, or its agent, pledged to the PHA, but not in the PHA's name.

Cash Deposits, categorized by level of risk, (at cost, which approximates market) are:

Bank Balances	1	2	3
\$ 91,028	\$ 91,028	\$ -	\$ -

Even though the pledged securities are considered uncollateralized (Category 3) under the provisions of GASB Statement 3, Louisiana Revised Statute 39:1229 imposes a statutory requirement on the custodial bank to advertise and sell the pledged securities within ten days of being notified by the Housing Authority that the fiscal agent has failed to pay deposited funds upon demand.

NOTE 9 - DEFERRED COMPENSATION PLAN

The Housing Authority of the Parish of Caldwell offers its employees a deferred compensation plan created in accordance with Internal Revenue Code Section 457. The plan, available to all Housing Authority of the Parish of Caldwell employees, permits them to defer a portion of their salary until future years.

All amounts of compensation deferred under the plan, all property and rights purchased with those amounts, and all income attributable to those amounts, property or rights are (until paid or made available to the employee or other beneficiary) solely the property and rights of the government subject only to the claims of the government's general creditors. Participants' rights under the plan are equal to those of the general creditors of the government in an amount equal to the fair market value of the deferred account for each participant.

It is the opinion of management that the Housing Authority of the Parish of Caldwell has no liability for losses under the plan. It is the intent of management that the deferred amounts will ultimately be paid to the employees. Management also believes that the assets will not be used to satisfy the claims of general creditors.

In addition to retirement benefits, the Plan provides certain benefits for those members who die or become disabled prior to retirement.

From the effective date the Plan Administrator has been William M. Mercer, Inc.

All contributions into and disbursements from the trust fund flow through the trust department of the custodial bank, P.N.C. Bank of Kentucky. Plan Description

The Plan is a defined contribution retirement plan covering essentially all employees of the various participating employers. Since the participating employers are all governmental units, the Plan is not subject to the provisions of the Employee Retirement Income Security Act of 1974, except for the contribution limitations of Section 415.

The Plan and Trust are qualified under Section 401(a) of the Internal Revenue Code and their income is exempt from taxation under Section 501(a) of the Code.

The Plan is funded by employer contributions and in some cases, employee contributions. The rates of contributions are determined by the various joinder agreements of the participating employers.

Terminated or retiring participants are entitled to certain benefits including the full amount of their contributions to the Plan as well as earnings on their contributions. In addition to the amount of their contribution, each participant is entitled to the portion of the employer's contributions in which he or she has a vested interest. Vesting provisions are determined in accordance with the participating employers' joinder agreement. If a participating employee shall be determined to be totally and permanently disabled, or if an active participating employee should die prior to retirement, or a participant upon attaining normal retirement age as specified in the employer's joinder agreement, then the employee or their designated beneficiary shall be entitled to the full value of the participant's account. Benefits are payable in the form of lump sum cash settlements or purchased annuities, depending upon the election of the participant. Effective January 1, 1989 the non-vested portion of a terminated participants' account which arose prior to January 1, 1989, will be used first to pay the administrative expense of the plan and the balance to reduce the employer contributions in succeeding plan years.

The non-vested portion of a terminated participant's account, which arose after January 1, 1989, shall be applied in the same manner as pre-January 1, 1989 amounts. However, for any forfeitures remaining as of the December 31 monthly valuation date after payment of the applicable employer's expenses, the employer may elect in its Joinder Agreement to have those forfeitures returned to the housing authority. The total amount of assets for the plan year ended March 31, 2014, was \$550,807.

If the Plan is terminated or contributions under the Plan are discontinued, the participating employees are entitled to benefits accrued to the date of such termination or discontinuance to the extent funded and/or to the amounts credited to the employees' accounts.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT
OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE
WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Directors
Housing Authority of the Parish of Caldwell
Columbia, Louisiana

I have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States, the financial statements of each major fund and the aggregate remaining fund information of the Housing Authority of the Parish of Caldwell, as of and for the year ended March 31, 2014, and the related notes to the financial statements, which collectively comprise the Housing Authority of the Parish of Caldwell's basic financial statements, and have issued my report thereon dated September 26, 2014.

Internal Control Over Financial Reporting

In planning and performing my audit, I considered the Housing Authority of the Parish of Caldwell's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Housing Authority of the Parish of Caldwell's internal control. Accordingly, I do not express an opinion on the effectiveness of the Housing Authority of the Parish of Caldwell's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

My consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during my audit I did not identify any deficiencies in internal control that I consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Housing Authority of the Parish of Caldwell's financial statements are free from material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts and grants agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit and, accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the entity's internal control and compliance. Accordingly, this information is not suitable for any other purpose. Under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR
PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE
REQUIRED BY OMB CIRCULAR A-133**

To the Board of Directors
Housing Authority of the Parish of Caldwell
Columbia, Louisiana

Report on Compliance for Each Major Federal Program

I have audited The Housing Authority of the Parish of Caldwell's compliance with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement that could have a direct and material effect on each of The Housing Authority of the Parish of Caldwell's major federal programs for the year ended March 31, 2014. The Housing Authority of the Parish of Caldwell's major federal programs are identified in the Summary of Auditor's Results section of the accompanying Schedule of Findings and Questioned Costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts and grants applicable to its federal programs.

Auditor's Responsibility

My responsibility is to express an opinion on compliance for each of the Housing Authority of the Parish of Caldwell's major federal programs based on my audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations. Those standards and OMB Circular A-133 require that I plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Housing Authority of the Parish of Caldwell's compliance with those requirements and performing such other procedures as I considered necessary in the circumstances.

I believe that my audit provides a reasonable basis for my opinion on compliance for each major federal program. However, my audit does not provide a legal determination on the Housing Authority of the Parish of Caldwell's compliance.

Opinion on Each Major Federal Program

In my opinion, the Housing Authority of the Parish of Caldwell, complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended March 31, 2014.

Report on Internal Control Over Compliance

The management of the Housing Authority of the Parish of Caldwell is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing my audit of compliance, I considered the Housing Authority of the Parish of Caldwell's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, I do not express an opinion on the effectiveness of the Housing Authority of the Parish of Caldwell's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

My consideration of the internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. I did not identify any deficiencies in internal control over compliance that I consider to be material weaknesses, as defined above. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other reason. Under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.
