To the Board of Directors
Boys and Girls Clubs of Acadiana, Inc.
Lafayette, Louisiana

We have audited the accompanying statements of financial position of Boys and Girls Clubs of Acadiana, Inc. (a nonprofit organization) as of December 31, 2008 and 2007, and the related statements of activities, functional expenses, and cash flows for the years then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audits.

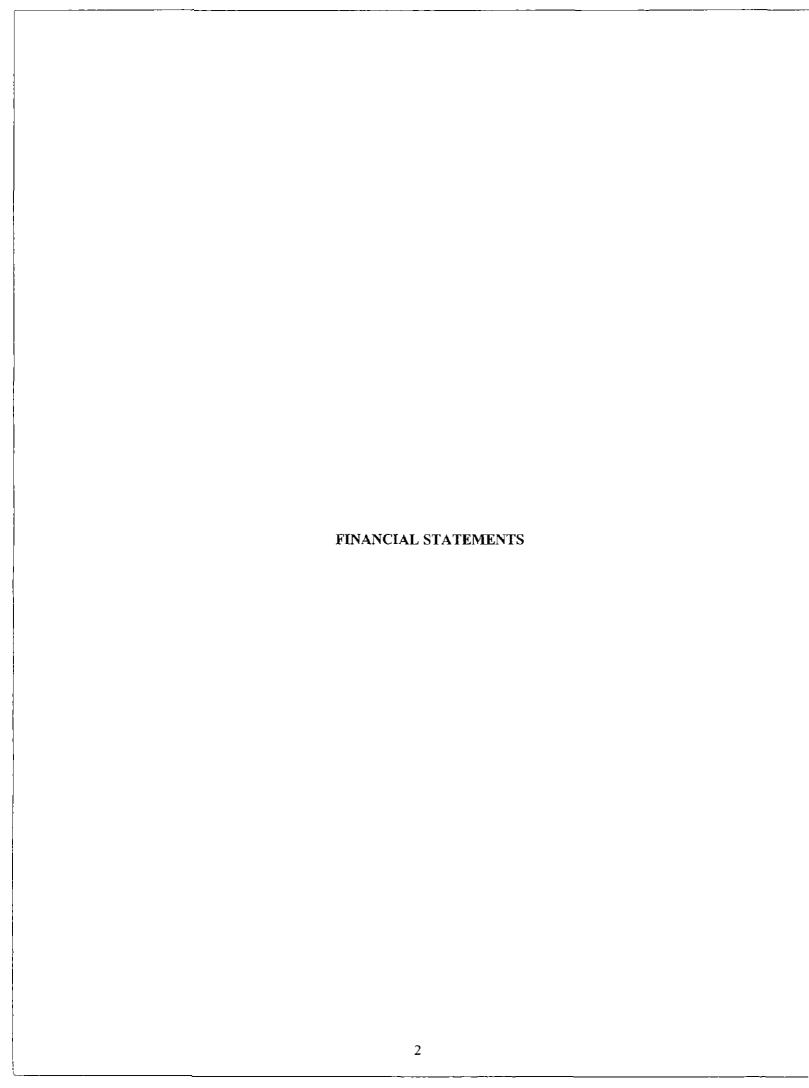

We conducted our audits in accordance with auditing standards generally accepted in the United States of America, and <u>Government Auditing Standards</u>, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Boys and Girls Clubs of Acadiana, Inc. as of December 31, 2008 and 2007, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, we have also issued our report dated March 12, 2009, on our consideration of Boys and Girls Clubs of Acadiana, Inc.'s internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be read in conjunction with this report in considering the results of our audit.

Notes to Financial Statements

(1) Summary of Significant Accounting Policies

A. Nature of Activities

The Boys and Girls Clubs of Acadiana, Inc. (Organization) is a non-profit corporation organized under the laws of the State of Louisiana. The Clubs help youth of all backgrounds develop qualities needed to become responsible citizens and leaders, by providing facility-based neighborhood programs that are open to all. Relevant and diversified daily services are directed by trained, professional staff with a goal to assist club members towards becoming contributing members of society. Club programs and services are aimed at helping young people gain self-confidence, pursue an education, develop sound minds and bodies, and prepare for successful careers. By teaching honest values and concern for others, club programs foster positive attitudes and behavior.

B. Statement of Cash Flows

For purposes of the statement of cash flows, the Organization considers all highly liquid interest-bearing deposits with a maturity of three months or less when purchased to be cash equivalents.

C. Grants Receivable/Deferred Revenues

Grants receivable and deferred revenues from grants and other support are recognized only to the extent that related expenses have been incurred.

D. <u>Contributions</u>

Contributions received and unconditional promises to give are measured at their fair values and are reported as an increase in net assets. The Organization reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated asset, or if they are designated as support for future periods. When a donor restriction expires, that is, when a stipulated time restriction ends or the purpose of the restriction is accomplished; temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activity as net assets released from restrictions. Donor restricted contributions whose restrictions are met in the same reporting period are reported as unrestricted support.

Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Notes to Financial Statements (Continued)

Unconditional promises to give due in subsequent years are reported at the present value of their net realizable value using risk-free discount rates applicable to the years in which the promises are to be received.

E. Income Tax Status

The Organization qualifies as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code and, therefore, has no provision for federal income taxes. The Organization is not classified as a private foundation.

F. <u>Donated Services and Materials</u>

A substantial number of volunteers have donated time to the Organization's program and supporting services. No amounts have been included in the financial statements for the donated services of volunteers because the criteria for recognition of such volunteer effort under Statement of Financial Accounting Standards (SFAS) No. 116 have not been satisfied. Other donated services and donated materials are stated at their estimated fair value on the date donated.

G. Vacation and Sick Leave

Vacation and sick leave are recorded as expenses of the period in which paid. Vacation and sick leave must be taken in the year accrued and cannot be carried over. Annual sick leave is granted to employees based on the number of years of employment. Although sick leave is available for employees when needed, it does not vest nor is it payable at termination of employment.

H. <u>Depreciation</u>

Land, buildings and equipment are valued at cost, or fair market value in the case of donated property. Depreciable assets are depreciated using the straight-line method over the estimated useful lives of the individual assets as follows:

Buildings and improvements 7 - 31 years
Furniture and equipment 5 - 7 years

I. Functional Expenses

Expenses are charged to each program based on direct expenditures incurred. Any program expenditures not directly chargeable are allocated to programs based on units of service.

Notes to Financial Statements (Continued)

J. <u>Use of Estimates</u>

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenues and expenditures during the reporting period. Actual results could differ from those estimates.

To the Board of Directors Boys and Girls Clubs of Acadiana, Inc. Lafayette, Louisiana

We have audited the financial statements of the Boys and Girls Clubs of Acadiana, Inc. (a nonprofit organization) as of and for the year ended December 31, 2008, and have issued our report thereon dated March 12, 2009. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in <u>Government Auditing Standards</u>, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Boys and Girls Clubs of Acadiana, Inc.'s internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Boys and Girls Clubs of Acadiana, Inc.'s internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Boys and Girls Clubs of Acadiana, Inc.'s internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency is a control deficiency or combination of control deficiencies, that adversely affects the Boys and Girls Clubs of Acadiana, Inc.'s ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the Boys and Girls Clubs of Acadiana, Inc.'s financial statements that is more than inconsequential will not be prevented or detected by the Boys and Girls Clubs of Acadiana, Inc.'s internal control. We consider the control deficiency described in the accompanying summary schedule of current and prior year audit findings and corrective action plan as item 08-1 to be a significant deficiency in internal control over financial reporting.

^{*} A Professional Accounting Corporation

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the Boys and Girls Clubs of Acadiana, Inc.'s internal control.

Our consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies and, accordingly, would not necessarily disclose all significant deficiencies that are also considered to be material weaknesses. However, we believe that the significant deficiency described above is not a material weakness.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Boys and Girls Clubs of Acadiana, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under <u>Government Auditing Standards</u>.

The Boys and Girls Clubs of Acadiana, Inc.'s response to the finding identified in our audit is described in the accompanying summary schedule of current and prior year audit findings. We did not audit the Boys and Girls Clubs of Acadiana, Inc.'s response and, accordingly, we express no opinion on it.

This report is intended solely for the information of management and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties. Although the intended use of this report may be limited, under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.
