Executive Summary .....	3
Management Letter .....	5

Our procedures at the Department of the Treasury (department) for the period July 1, 2009, through June 30, 2010, disclosed the following:

- No significant control deficiencies, errors, or noncompliance were identified in our procedures on cash, investments, unclaimed property, or interest that would require reporting under *Government Auditing Standards*.

This report is a public report and has been distributed to state officials. We appreciate the department's assistance in the successful completion of our work.

### **Background**

The vision of the department is to perform and be recognized as the preeminent provider of the highest quality, innovative financial services and performance in a user-friendly atmosphere.

The mission of the department is to manage state funds by promoting prudent cash management and investment strategies as well as monitoring, regulating and coordinating state and local debt obligations as mandated by the Constitution and the laws of the State of Louisiana.

LOUISIANA LEGISLATIVE AUDITOR  
DARYL G. PURPERA, CPA, CFE

May 23, 2011

**THE HONORABLE JOHN N. KENNEDY**  
**STATE TREASURER**  
**DEPARTMENT OF THE TREASURY**  
**STATE OF LOUISIANA**  
Baton Rouge, Louisiana

As required by Louisiana Revised Statute 24:513 and as a part of our audit of the State of Louisiana's financial statements for the fiscal year ended June 30, 2010, we conducted certain procedures at the Department of the Treasury (department) for the period from July 1, 2009, through June 30, 2010.

- Our auditors obtained and documented an understanding of the department's operations and system of internal controls through inquiry, observation, and review of its policies and procedures, including a review of the laws and regulations applicable to the department.
- Our auditors performed analytical procedures consisting of a comparison of the most current and prior year financial activity using the department's annual fiscal reports and/or system-generated reports and obtained explanations from department management for any significant variances.
- Our auditors considered internal control over financial reporting, examined evidence supporting the department's cash and investment disclosure letters, Unclaimed Property disclosures, and interest allocations. We also tested the department's compliance with laws and regulations that could have a direct and material effect on the State of Louisiana's financial statements, as part of our audit of the state's Comprehensive Annual Financial Report for the fiscal year ended June 30, 2010, in accordance with *Government Auditing Standards*.

The Annual Fiscal Reports of the department were not audited or reviewed by us, and, accordingly, we do not express opinions on those reports. The department's accounts are an integral part of the State of Louisiana's financial statements, upon which the Louisiana Legislative Auditor expresses opinions.

Based on the application of the procedures referred to previously, we found no significant control deficiencies, noncompliance, or errors relating to our analytical procedures or our other audit procedures that should be communicated to management.

This letter is intended for the information and use of the department and its management, others within the entity, and the Louisiana Legislature and is not intended to be, and should not be, used by anyone other than these specified parties. Under Louisiana Revised Statute 24:513, this letter is a public document and it has been distributed to appropriate public officials.

Respectfully submitted,

A handwritten signature in blue ink that reads "Daryl G. Purpera". The signature is written in a cursive style with a large initial "D".

Daryl G. Purpera, CPA, CFE  
Legislative Auditor
