INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Orleans Metropolitan Housing & Community Development, Inc..

I have audited the accompanying statement of financial position of Orleans Metropolitan Housing & Community Development, Inc. (a nonprofit organization) as of June 30, 2000, and the related statements of activities, and cash flows for the year then ended. These financial statements are the responsibility of Orleans Metropolitan Housing & Community Development, Inc.'s management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with general accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Orleans Metropolitan Housing & Community Development, Inc. as of June 30, 2000, and the changes in its net assets and cash flows for the year then ended in accordance with generally accepted accounting principles.

In accordance with *Government Auditing Standards*, I have also issued a report dated November 14, 2000, on my consideration of Orleans Metropolitan Housing & Community Development, Inc.'s internal control over financial reporting and my tests of compliance with certain provisions of laws, regulations, contracts, and grants.

Further, giving maximum feasibility priority of all programmatic activities to benefit low and moderate income families or aid in the prevention and the elimination of slums and urban property blight.

Basis of Accounting

OMD uses the accrual method of accounting and follows the standards of accounting and financial reporting outlined by the American Institute of Certified Public Accountants in its Audit and Accounting Guide, *Audits of Not-for-Profit Organizations*.

Cash and Cash Equivalents

For purposes of the statements of cash flows, OMD considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

Property, Plant and Equipment

Property and equipment are carried at cost. Depreciation is computed using the straight-line method over estimated useful lives ranging from five years for furniture and equipment to twenty years for building & improvements. Depreciation was \$6,065 for the year ended June 30, 2000.

Income Taxes

OMH operates as a nonprofit entity and has been granted tax-exempt status by the Internal Revenue Service (IRS) under Section 501(c)(3) of the Internal Revenue Code. OMH exempt status is recognized by the State of Louisiana. Accordingly, no provision has been made in these statements for federal or state income taxes.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principals requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL
REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Directors
Orleans Metropolitan Housing & Community Development, Inc.

I have audited the financial statement of Orleans Metropolitan Housing & Community Development, Inc. (a nonprofit organization) as of and for the year ended June 30, 2000, and have issued my report thereon dated November 14, 2000. I conducted my audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether Orleans Metropolitan Housing & Community Development, Inc.'s (OMH) financial statements are free of material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts, and grants, noncompliance with which could have a direct and material effect on the determination of financial statements amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit, and according, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance that are required to be reported under *Government Audit Standards*.

Internal Control Over Financial Reporting

In planning and performing my audit, I considered OMH's internal control over financial reporting in order to determine my auditing procedures for the purpose of expressing my opinion on the financial statements and not to provide assurance on the internal control over financial reporting. My consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. I noted no matters involving the internal control over financial reporting and its operation that I consider to be material weaknesses.
