INTRODUCTORY SECTION

December 12, 2001

Dr. Henry Bonner, Jr., Chairman
and Members of the Board
Housing Authority of the City of Monroe
Monroe, Louisiana

Dear Board Members:

The Comprehensive Annual Financial Report of the Housing Authority of the City of Monroe (Housing Authority) for the year ended June 30, 2001, is submitted herewith. This report has been prepared by the Accounting Department personnel following the guidelines recommended by the Government Finance Officers Association of the United States and Canada. Additional information on the Housing Authority financial condition is included in the management's discussion and analysis.

A. Management Responsibility Responsibility for both the accuracy of the data, and the completeness and fairness of the presentation, including all disclosures, rests with the Housing Authority. To the best of our knowledge and belief, the enclosed data is accurate in all material respects and is reported in a manner designed to present fairly the financial position and results of operations of the various funds, account groups and component unit of the Housing Authority. All disclosures necessary to enable the reader to gain an understanding of the Housing Authority's financial activities have been included.

B. CAFR The Comprehensive Annual Financial Report (CAFR) consists of three parts:

(1) **The Introductory Section.** This section includes a transmittal letter, information on financial reporting achievements, the Housing Authority's organizational structure, recognition of the appointed officials of the Housing Authority and a list of selected administrative officials.

(2) **The Financial Section.** The financial section consists of management's discussion and analysis, basic financial statements, and combining and individual fund statements and schedules. Combining statements are presented when a Housing Authority has at least one nonmajor fund of a given fund category. Various statements are also used to demonstrate finance-related legal and contractual compliance, present other information deemed useful, and provide details of data summarized in the financial statements.

(3) **The Statistical Section.** Included in this section are a number of tables of unaudited data depicting the financial history, demographics and other miscellaneous information of the Housing Authority for the past ten years.

The Housing Authority is required to undergo an annual single audit in conformity with the provisions of the Single Audit Act Amendments of 1996 and U. S. Office of Management and Budget Circular No. A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Information related to this single audit includes the Schedule of Expenditures of Federal Awards, findings and recommendations, if applicable, and auditor's reports on internal control and compliance with applicable laws and regulations. The single audit report is issued separately from this Comprehensive Annual Financial Report.

The primary objective of the Housing Authority is to provide decent, safe and sanitary housing for families which, due to economic hardship, are unable to obtain housing in the private real estate market. A second goal is to assist these families in achieving self sufficiency. To accomplish these objectives, the Housing Authority participates in a number of programs which are discussed in the Notes to the Financial Statements included in this report.

C. Reporting Entity This report includes all funds and account groups of the Housing Authority as well as all of its component units. Component units are legally separate entities for which a government is financially accountable. The Housing Authority is an independent governmental entity created by the state of Louisiana. This creation was contingent upon the local governing body of the city or parish declaring a need for the Housing Authority to function in such city or parish. Although it maintains close ties with the City of Monroe in several respects, the Housing Authority is not a component unit of the City as defined by the pronouncements by the Governmental Accounting Standards Board since it is not financially accountable for the operations of the Housing Authority, has no responsibility to fund deficits or rights to receive surpluses, and has not guaranteed the Housing Authority's debt.

The governing body of the Housing Authority is its Board of Commissioners ("Board") comprised of five members appointed by the Mayor of the City. The Board appoints an Executive Director to administer the affairs of the Housing Authority. The primary source of funding for the Housing Authority is the U. S. Department of Housing and Urban Development ("HUD"), which oversees the expenses of most of the funds.

The Housing Authority is financially accountable for Monroe Affordable Homeownership Community Housing Development Organization, Inc. (Homeownership), a legally separate entity. The Housing Authority can, to a limited degree, impose its will on Homeownership. The Housing Authority also provides office space and some furnishings to Homeownership. Based on the above, it has been determined that Homeownership is a component unit of the Housing Authority.

D. Major Initiatives The Housing Authority received a 91.0% PHAS score and a 95.0% SEMAP score from the Department of Housing and Urban Development. Ninety percent and above qualifies as a "High Performer" by HUD standards. This rating is a result of a lot of hard work by the staff, and management's decision to set the PHAS score as a priority.

Homeownership Program administered by Homeownership placed six families in newly constructed homes. Three more homes are almost complete and will be ready for occupancy in January. Construction will begin on three more new homes in April.

Homeownership, in cooperation with the City of Monroe's Community Development Department, has infused approximately \$740,000 into local economy since its inception in 1993 and generated approximately \$7,000,000 in sales.

The Capital Fund Program provided funds for interior renovation of 103 units at Robinson Place development which is nearing completion. The renovation of 145 units at two scattered site developments has begun and will continue. Finally, the renovation of Burg Jones Lane was completed this fiscal year.

The Housing Authority has rental assistance programs that were created under Section 8 of the 1974 federal Housing and Community Development Act. Under these programs, the Housing Authority provides subsidies to local landlords on behalf of low-income families and individuals living in privately-owned housing in the city of Monroe.

The Section 8 Housing Assistance Program has received \$404,225 which will assist an additional 100 families in the private rental market. A \$20,800 grant for a Section 8 Family Self-Sufficiency Coordinator was also received.

The 2001 Drug Elimination Grant funding of \$348,878 will continue the Community Policing Program and Drug Prevention Programs in the public housing developments.

The Housing Authority is the recipient of a \$2,200,000 Section 202 funding for South Pointe, 36 units of new elderly housing and construction is well underway.

An application for an additional 40 units will be submitted to HUD in the spring of 2002.

In partnership with OIC, the Housing Authority, through an **EDSS Grant** has provided 60 public housing residents an Interactive Career Training Program utilizing computers.

A \$1,000,000 **TANF Grant** from the Louisiana Department of Social Services will provide temporary housing based services to approximately 600 families.

The Ouachita Council on Aging, in conjunction with the Housing Authority, received tax credit funding of \$3,300,000 from the Louisiana Housing Finance Agency for a new elderly complex to be called **Chauvin Pointe**. This new complex is managed by the Housing Authority and consists of 74 units. The development is complete and nearly 100% being leased up. An application for an additional 60 units will be submitted to the Louisiana Housing Finance Agency in the spring of 2002.

E. Internal Control Management of the Housing Authority is responsible for establishing and maintaining internal control designed to ensure that the assets of the Housing Authority are protected from loss, theft or misuse and to ensure that adequate accounting data are compiled to allow for the preparation of financial statements in conformity with accounting principles generally accepted in the United States of America. Internal control is designed to provide reasonable, but not absolute, assurance that these objectives are met. The concept of reasonable assurance recognizes that: (1) the cost of a control should not exceed the benefits likely to be derived; and (2) the valuation of costs and benefits requires estimates and judgements by management.

We believe the Housing Authority's internal controls adequately safeguard assets and provide reasonable assurance of proper recording of financial transactions.

As a recipient of federal, state and local financial assistance, the Housing Authority also is responsible for ensuring that adequate internal control is in place to ensure compliance with applicable laws and regulations related to those programs.

As a part of the Housing Authority's single audit, described earlier, tests are made to determine the adequacy of internal control, including that portion related to federal awards programs, as well as to determine that the Housing Authority has complied with applicable laws and regulations. The results of the Housing Authority's single audit for the fiscal year ended June 30, 2001, provided no instances of material weaknesses in internal control or significant violations of applicable laws and regulations.

F. Budgetary Controls In addition, the Housing Authority maintains budgetary controls to ensure compliance with legal provisions embodied in the annual appropriated budget approved by the Housing Authority. The level of budgetary control (that is, the level at which expenditures cannot legally exceed the appropriated amount) is established by function by fund. Revisions to the budget enacted require Housing Authority approval.

As demonstrated by the statements and schedules included in the financial section of this report, the Housing Authority continues to meet its responsibility for sound financial management.

G. Cash Management All funds invested by the Housing Authority during the year were placed in the U. S. Treasury Securities. The total amount of interest earned during the year on these investments was \$300,405.

The Housing Authority's investment policy is to minimize credit and market risks while maintaining a competitive yield on its portfolio. Accordingly, deposits in financial institutions were collateralized by instruments issued by the United States Government or federal government agencies created by an act of congress or insured by the Federal Deposit Insurance Corporation.

H. Risk Management The Housing Authority maintains a combination of self-insurance and stop-loss coverage for workers' compensation insurance. Third-party coverage is currently maintained for individual workers' compensation claims in excess of \$125,000.

I. Independent Audits The report of our independent certified public accountants, Allen, Green & Company, LLP, follows as an integral component of this report. Their audit of the financial statements and accompanying combining and individual fund statements and schedules was performed in accordance with auditing standards generally accepted in the United States of America and, accordingly, included a review of the Housing Authority's system of budgetary and accounting controls.

J. Award The Government Finance Officers Association (GFOA) of the United States and Canada issues a Certificate of Achievement for Excellence in Financial Reporting to governments for their Comprehensive Annual Financial Report. To be awarded this certificate, a government must publish an easily readable and efficiently organized Comprehensive Annual Financial Report, whose contents conform to program standards. Such report must satisfy both accounting principles generally accepted in the United States of America and applicable legal requirements. This certificate is valid for a period of one year only.

The award is granted only after an intensive review of the financial report by an expert panel of certified public accountants.

Management believes that the Comprehensive Annual Financial Report for the fiscal year ended June 30, 2001, which will be submitted to GFOA for review, will conform to the principles and standards of this organization.

K. Acknowledgments The preparation of this report could not have been accomplished without the efficient and dedicated services of the entire staff of the Accounting Department. We want to express our appreciation to them for their assistance. We also thank the members of the Housing Authority for their interest and support in planning and conducting the financial operations of the Housing Authority in a responsible and progressive manner.

INDEPENDENT AUDITORS' REPORT

Board Members
Housing Authority of the City of Monroe
Monroe, Louisiana

We have audited the accompanying basic financial statements of the Housing Authority of the City of Monroe as of and for the year ended June 30, 2001, as listed in the table of contents. These basic financial statements are the responsibility of the Housing Authority's management. Our responsibility is to express an opinion on these basic financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the basic financial statements referred to above present fairly, in all material respects, the financial position of the Housing Authority as of June 30, 2001, and the results of its operations and its cash flows of its proprietary fund types for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, we have also issued under separate cover, our report dated October 12, 2001, on our consideration of the Housing Authority's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be read in conjunction with this report in considering the results of our audit.

The Management's Discussion and Analysis is not a required part of the basic financial statements but is supplementary information required by the Governmental Accounting Standards Board. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the supplementary information. However, we did not audit the information, and accordingly, express no opinion on it.

Our audit was performed for the purpose of forming an opinion on the basic financial statements of the Housing Authority taken as a whole. The accompanying information identified in the table of contents as supplemental information is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

The information identified in the table of contents as the introductory section, and statistical section, are presented for purposes of additional analysis and are not a required part of the basic financial statements of the Housing Authority. Such information has not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we express no opinion on it.

MANAGEMENT'S DISCUSSION
AND ANALYSIS (MD&A)

Housing Authority of the City of Monroe

Management's Discussion and Analysis (MD&A)
June 30, 2001

As management of the Housing Authority, we offer readers of the Housing Authority's financial statements this narrative overview and analysis of the financial activities of the Housing Authority for the fiscal year ended June 30, 2001. We encourage readers to consider the information presented here in conjunction with additional information that we have furnished in our letter of transmittal, which can be found on pages i-iv of this report. All amounts, unless otherwise indicated, are expressed in thousands of dollars.

FINANCIAL HIGHLIGHTS

- The assets of the Housing Authority exceeded its liabilities at the close of the most recent fiscal year by \$30,853 (*net assets*). Of this amount, \$4,834 (*unrestricted net assets*) may be used to meet the government's ongoing obligations to citizens and creditors.
- The Housing Authority's total net assets increased by \$2,114. This increase is attributable in large part to \$3,652 capital contribution from the U. S. Department of Housing and Urban Development.
- As of the close of the current fiscal year, the Housing Authority's enterprise funds reported combined ending net assets of \$30,853, an increase of \$1,348 in comparison with the prior year. Approximately fifteen percent of this total amount is *available for spending* at the Housing Authority's discretion (*unrestricted net assets*).
- At the end of the current fiscal year, unrestricted net assets for the general fund was \$2,829, or forty-two percent of total general fund operating expenses.
- The Housing Authority continues to operate without the need for debt borrowings during the current fiscal year.

OVERVIEW OF THE FINANCIAL STATEMENTS This discussion and analysis are intended to serve as an introduction to the Housing Authority's basic financial statements. The Housing Authority's basic financial statements comprise two components: 1) fund financial statements, and 2) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves. The Housing Authority is a special-purpose government engaged only in business-type activities. Accordingly, only fund financial statements are presented as the basic financial statements.

FUND FINANCIAL STATEMENTS A *fund* is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The Housing Authority, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds of the Housing Authority are reported as proprietary funds.

USING THIS ANNUAL REPORT

The Housing Authority's annual report consist of financial statements that show information about the Housing Authority's most significant funds -- such as the Housing Authority's general fund, tenant-based Section 8 fund, other enterprise funds and its component unit.

Housing Authority of the City of Monroe

Management's Discussion and Analysis (MD&A)
June 30, 2001

The Introductory Section and the Statistical Section was prepared by the Housing Authority without association by the independent auditors. Accordingly, the Housing Authority assumes full responsibility for the accuracy of these two sections.

Reporting the Housing Authority's Most Significant Funds

The Housing Authority's financial statements provide detailed information about the most significant funds. Some funds are required to be established by the Department of Housing and Urban Development (HUD). However, the Housing Authority establishes other funds to help it control and manage money for particular purposes or to show that it is meeting legal responsibilities for using grants and other money. The Housing Authority's enterprise funds use the following accounting approach:

Proprietary funds – All of the Housing Authority's services are reported in enterprise funds. They are reported using the full accrual method of accounting in which all assets and all liabilities associated with the operation of these funds are included on the balance sheet. The focus of proprietary funds is on income measurement, which, together with the maintenance of equity, is an important financial indication.

FINANCIAL ANALYSIS

The Housing Authority's net assets were \$30.9 million at June 30, 2001. Of this amount, \$4.8 million was unrestricted. Restricted net assets are reported separately to show legal constraints from debt covenants and enabling legislation that limits the Housing Authority's ability to use those net assets for day-to-day operations.

As we noted earlier, the Housing Authority uses funds to help it control and manage money for particular purposes. The general fund is used to account for the public housing, drug elimination, comprehensive grant and economic development programs. Section 8 certificates and voucher programs are accounted for in the tenant based section 8 fund. The section 8 moderate rehabilitation, section 8 new construction and management fees earned on properties managed by the Housing Authority are accounted for in separate funds. Our analysis below focuses on the net assets and the change in net assets of the primary government as a whole.

Total revenues increased by \$2,107 due primarily to increase in capital contribution of more than \$2.2 million in the fiscal year ended June 30, 2001. This increase was mainly due to the Capital Fund starting this year of \$1,140 and an increase in operating subsidy as well as the closing of the Comprehensive Grant.

Expenses remained relatively stable from the prior year.

CAPITAL ASSET AND DEBT ADMINISTRATION

Capital Assets

At June 30, 2001, the Housing Authority had \$25.9 million invested in a broad range of capital assets, including land, buildings, and furniture and equipment. This amount represents a net increase (including additions, deductions and depreciation) of \$1.2 million, or 4.8 percent, from last year.

This year's additions of \$1,185 are mainly the result of the renovation work at Burg Jones Lane and at Robinson Place paid for by the federal Comprehensive Grant and Capital Fund. No debt was issued for these additions.

Major capital projects are planned for the 2001-2002 fiscal year at Robinson Place. We anticipate capital additions will be comparable to the 2000-2001 fiscal year. We present more detailed information about our capital assets in the note to the financial statements.

Debt

Our long-term debt includes accrued annual and sick leave. We present more detail about our long-term liabilities in the notes to the financial statements.

ECONOMIC FACTORS AND NEXT YEAR'S BUDGETS AND RATES

The Housing Authority is primarily dependent upon HUD for the funding of operations; therefore, the Housing Authority is affected more by the Federal budget than by local economic conditions. The election of a new president and his changes in staffing could have an effect on our budget for the 2002-2003 year. The budgets for 2001-2002 have already been approved by HUD and no major changes are expected.

The comprehensive grant and drug elimination programs are multiple year budgets and have remained relatively stable. Comprehensive grants are used for the modernization of public housing properties including administrative fees involved in the modernization. Drug elimination funds are used to pay for drug elimination initiatives.

CONTACTING THE HOUSING AUTHORITY'S FINANCIAL MANAGEMENT

Our financial report is designed to provide our citizens and investors and creditors with a general overview of the Housing Authority's finances and to show the Housing Authority's accountability for the money it receives. Housing Authority of the City of Monroe
Notes to the Basic Financial Statements

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES The accompanying financial statements of the Housing Authority have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles.

A. REPORTING ENTITY Housing Authorities are chartered as public corporations under the laws (LSA-R.S. 40:391) of the state of Louisiana for the purpose of providing safe and sanitary dwellings accommodations. This creation was contingent upon the local governing body of the city or parish declaring a need for the Housing Authority to function in such city or parish. The Housing Authority is governed by a five member Board of Commissioners. The members, appointed by the Honorable Mayor of the City of Monroe, serve a staggered term of four years.

The Housing Authority has the following units:

PHIA Owned Housing	FW 2006	1,522
Section 8		
Rental Certificates	FW 2072 (BX)	50
Rental Vouchers	FW 2072 (VO)	1,247
Contract Administrator		
Section 8 New Construction	FW 2170	99
Managing Agent (Section 202 Elderly Housing Projects)		
Ouachita Grand Plaza, Inc.		91
Passman Plaza, Inc.		41
Passman Plaza II, Inc.		39
Claiborne Creek Apartments, LLP		72
Claiborne Creek II, LLP		60

GASB Statement 14 establishes criteria for determining the governmental reporting entity and component units that should be included within the reporting entity. Under provisions of this Statement, the Housing Authority is considered a *primary government*, since it is a special purpose government that has a separate governing body, is legally separate, and is fiscally independent of other state or local governments. As used in GASB Statement 14, fiscally independent means that the Housing Authority may, without the approval or consent of another governmental entity, determine or modify its own budget, levy its own taxes or set rates or charges, and issue bonded debt.

The Housing Authority is a related organization of the City of Monroe since the City of Monroe appoints a voting majority of the Housing Authority's governing board. The City of Monroe is not financially accountable for the Housing Authority as it cannot impose its will on the Housing Authority and there is no potential for the Housing Authority to provide financial benefit to, or impose financial burdens on, the City of Monroe. Accordingly, the Housing Authority is not a component unit of the financial reporting entity of the City of Monroe.

Governmental Accounting Standards Board (GASB) Codification Section 2100 establishes criteria for determining which, if any, component units should be considered part of the Housing Authority for financial reporting purposes. The basic criterion for including a potential component unit within the reporting entity is financial accountability. The GASB has set forth criteria to be considered in determining financial accountability, which includes:

1. Appointing a voting majority of an organization's governing body, and:
 - a. The ability of the government to impose its will on that organization and/or
 - b. The potential for the organization to provide specific financial benefits to or impose specific financial burdens on the government.
2. Organizations for which the government does not appoint a voting majority but are fiscally dependent on the government.
3. Organizations for which the reporting entity financial statements would be misleading if data of the organization is not included because of the nature or significance of the relationship.

Housing Authority of the City of Monroe
Notes to the Basic Financial Statements

Based on the previous criteria, the Housing Authority has determined that the following component unit should be considered as part of the Housing Authority reporting entity.

Monroe Affordable Homeownership Community Housing Development Organization, Inc., (Homeownership) is a legally separate entity. The City of Monroe appointed the initial members. The Housing Authority can, to a limited degree, impose its will on Homeownership, and the Housing Authority provides office space, and some furnishings to Homeownership. Also, the Housing Authority provided initial funding for start up cost. Homeownership provides no direct services to the Housing Authority. Based on the above, it has been determined that Homeownership is a component unit of the Housing Authority and should be included in the Housing Authority's financial statements through discrete presentation. The separate financial statements of Homeownership can be obtained from the Housing Authority of the City of Monroe, 300 Harrison Street, Monroe, Louisiana 71201, telephone (318)388-1500.

B. FUNDS The accounts of the Housing Authority are organized and operated on the basis of funds. A fund is an independent fiscal and accounting entity with a self-balancing set of accounts. Fund accounting segregates funds according to their intended purpose and is used to aid management in demonstrating compliance with finance-related legal and contractual provisions. The minimum number of funds are maintained consistent with legal and managerial requirements.

All funds of the Housing Authority are classified as proprietary. The general fund accounts for the transactions of the public housing low rent program, the drug elimination program, the comprehensive grant program and the economic development program. The tenant based section 8 fund accounts for the tenant based section 8 programs. The other enterprise fund accounts for the activity of the Section 8 - New Construction Program for which the Housing Authority is the contract administrator and the Section 202 Elderly Housing Project for which the Housing Authority is the managing agent.

C. MEASUREMENT FOCUS AND BASIS OF ACCOUNTING

Proprietary Funds Proprietary funds are accounted for on the flow of economic resources measurement focus and the accrual basis of accounting. Under this method, revenues are recorded when earned and expenses are recorded at the time the liabilities are incurred. With this measurement focus, all assets and all liabilities associated with the operation of these funds are included on the balance sheet. The Housing Authority has elected, pursuant to GASB Statement No. 20, to apply all GASB pronouncements and only FASB pronouncements issued before November 30, 1989.

Proprietary funds distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary funds' principal ongoing operations. The principal operating revenues of the Housing Authority's funds are rent and maintenance charges to residents and administration fees earned. Operating expenses for proprietary funds include the administrative costs of providing the service and the housing assistance payments to residents. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

D. CASH AND CASH EQUIVALENTS Cash includes amounts in demand deposits and interest-bearing demand deposits. Cash equivalents include amounts in time deposits and cash with fiscal agent. Under state law, the Housing Authority may deposit funds in demand deposits, interest-bearing demand deposits, money market accounts, or time deposits with state banks organized under Louisiana law and national banks having their principal offices in Louisiana.

E. INVESTMENTS Investments are limited by LSA-R.S. 33:2955 and the Housing Authority's investment policy. If the original maturities of investments exceed 90 days, they are classified as investments; however, if the original maturities are 90 days or less, they are classified as cash equivalents.

The investments are reflected at fair value except for the following which are required/permitted as per GASB Statement No. 31:

1. Investments in *nonparticipating* interest-earning contracts, such as nonnegotiable certificates of deposit with redemption terms that do not consider market rates, are reported using a cost-based measure.

**Housing Authority of the City of Monroe
Notes to the Basic Financial Statements**

2. The Housing Authority reported at amortized cost money market investments and *participating* interest-earning investment contracts that have a remaining maturity at time of purchase of one year or less.

Definitions:

Interest-earning investment contract include time deposits with financial institutions (such as certificates of deposit), repurchase agreements, and guaranteed investment contracts.

Money market investments are short-term, highly liquid debt instruments that include U. S. Treasury obligations.

F. SHORT-TERM INTERFUND RECEIVABLES/PAYABLES During the course of operations, numerous transactions occur between individual funds for services rendered. These receivables and payables are classified as due from other funds or due to other funds on the balance sheet. Short-term interfund loans are classified as interfund receivables/payables.

G. INVENTORY All purchased inventory items are valued at cost using first-in, first-out method. Acquisition of materials and supplies are accounted for on the consumption method, that is, the expenses are charged when the items are consumed.

H. PREPAID ITEMS Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items.

I. CAPITAL ASSETS Capital assets are recorded at historical cost and depreciated over their estimated useful lives (excluding salvage value). The capitalization threshold is \$500. Donated capital assets are recorded at their estimated fair value at the date of donation. Estimated useful life is management's estimate of how long the asset is expected to meet service demands. Vehicles and trailers are assigned a salvage value of five percent of historical costs. Straight line depreciation is used based on the following estimated useful lives:

Site improvements	15 years
Buildings	15 - 40 years
Furniture and equipment	5 - 7 years

J. DEFERRED REVENUES The Housing Authority reports deferred revenues on its balance sheet. Deferred revenues arise when resources are received by the Housing Authority before it has a legal claim to them, as when grant monies are received prior to the occurrence of qualifying expenditures. In subsequent periods, when the Housing Authority has a legal claim to the resources, the liability for deferred revenue is removed from the balance sheet and the revenue is recognized.

K. COMPENSATED ABSENCES The Housing Authority follows Louisiana Civil Service regulations for accumulated annual and sick leave. Employees may accumulate up to three hundred hours of annual leave which may be received upon termination or retirement. Sick leave hours accumulate, but the employee is not paid for them if not used by his/her retirement or termination date. The Board may approve payment of one-half of sick leave if the employee has been with the Housing Authority for ten years and is 55 years of age.

L. RESTRICTED NET ASSETS Net assets are reported as restricted when constraints placed on net asset use are either:

Externally imposed by creditors (such as debt covenants), grantors, contributors, or laws or regulations of other governments or imposed by law through constitutional provisions or enabling legislation.

Restricted resources are used first when an expense is incurred for purposes for which both restricted and unrestricted net assets are available.

M. INTERFUND ACTIVITY Interfund activity is reported as either loans, services provided, reimbursements or transfers. Loans are reported as interfund receivables and payables as appropriate. Services provided, deemed to be at market or near market rates, are treated as revenues and expenses.

**Housing Authority of the City of Monroe
Notes to the Basic Financial Statements**

All other interfund transactions are reported as transfers. Nonrecurring or non-routine permanent transfers of equity are reported as residual equity transfers. All other interfund transfers are reported as operating transfers. Reimbursements are when one fund incurs a cost, charges the appropriate benefitting fund and reduces its related cost as a reimbursement. All other interfund transactions are treated as transfers.

N. USE OF ESTIMATES The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statement and the reported amounts of revenues, expenses and other financing sources and uses during the reporting period. Actual results could differ from those estimates.

NOTE 2 - DEPOSITS AND INVESTMENTS At June 30, 2001, the Housing Authority has cash and cash equivalents (book balances) totaling \$1,106,686 as follows:

Deposits are stated at cost, which approximates fair value. Under state law, these deposits (or the resulting bank balances) must be secured by federal deposit insurance or the pledge of securities owned by the fiscal agent bank. The fair value of the pledged securities plus the federal deposit insurance must at all times equal the amount on deposit with the fiscal agent. These securities are held in the name of the pledging fiscal agent bank in a holding or custodial bank that is mutually acceptable to both parties.

At year-end, the Housing Authority's carrying amount of deposits was \$1,490,103 (which includes \$269,236 of time deposits) and the bank balance was \$2,068,957. Of the bank balance, \$324,412 was covered by federal depository insurance or by collateral held by the Housing Authority's agent in the Housing Authority's name (GASB Category 1). The remainder of \$1,744,545 was collateralized with securities held by the pledging financial institution's trust department or agent but not in the Housing Authority's name (GASB Category 3).

Even though the pledged securities are considered uncollateralized (Category 3) under the provisions of GASB Statement 3, Louisiana Revised Statute 39:1229 imposes a statutory requirement on the custodial bank to advertise and sell the pledged securities within 10 days of being notified by the Housing Authority that the fiscal agent has failed to pay deposited funds upon demand.

Included in the time deposits above is a \$165,000 certificate of deposit which is held by Bank One as collateral on a construction loan for Claiborne Creek II, Inc., a Section 202 elderly housing project for which the Housing Authority will be the managing agent and time deposits of \$152,812 restricted for tenant security deposits and family self sufficiency escrow.

The carrying amount of deposits for Homeownership, a discretely presented component unit, was \$343,538 and the bank balance was \$343,826. The bank balance was covered by federal depository insurance or by collateral held by Homeownership's agent in Homeownership's name (GASB Category 1).

Investments are categorized into these three categories of credit risk:

1. Insured or registered, or securities held by the Housing Authority or its agent in the Housing Authority's name.
2. Uninsured and unregistered, with securities held by the counter party's trust department or agent in the Housing Authority's name.
3. Uninsured and unregistered, with securities held by the counter party, or by its trust department or agent but not in the Housing Authority's name.

At year end, the Housing Authority investment balances included the following:

<u>Type of investment</u>	<u>Category 1</u>	<u>Carrying Amount Fair Value</u>
U. S. Treasury Securities	<u>\$4,237,344</u>	<u>\$4,237,344</u>

Housing Authority of the City of Monroe
Notes to the Basic Financial Statements

NOTE 3 - NOTE RECEIVABLE The note receivable at June 30, 2001, of \$361,080 is a note from Chauvin Pointe, Inc. made to purchase a tract of land. The interest rate is 4% per annum. The Housing Authority considers the note receivable to be fully collectible; therefore, no allowance for doubtful accounts is required.

NOTE 4 - ACCOUNTS RECEIVABLE The receivables at June 30, 2001, are as follows:

<u>Class of Receivable</u>	<u>General</u>	<u>Tenant-Based Section 8</u>	<u>Other Enterprise</u>	<u>Total</u>
Local sources:				
Tenants	\$ 14,775	\$ -	\$ -	\$ 14,775

Total	<u>\$410,293</u>	<u>\$26,600</u>	<u>\$148,312</u>	<u>\$585,205</u>

The tenants account receivable is net of an allowance for doubtful accounts of \$14,555. The accounts receivable - other are balances due from other entities the Housing Authority manages or are in development. The Housing Authority expects to collect those balances in full.

The receivable balance of \$48,596 for Homeownership, a discretely presented component unit, is a local sources receivable from other local governments.

NOTE 5 - CAPITAL ASSETS The changes in capital assets are as follows:

	<u>Balance July 1, 2000</u>	<u>Additions</u>	<u>Deletions</u>	<u>Balance June 30, 2001</u>

NOTE 6 - RETIREMENT SYSTEM The Housing Authority participates in the Housing-Renewal and Local Agency Retirement Plan, administered by Broussard, Bush & Hurst, which is a defined contribution plan. The plan consists of employees of various local and regional housing authorities, urban renewal agencies, and other similar organizations. Through this plan, the Housing Authority provides pension benefits for all of its full-time employees. All regular and full-time employees are eligible to participate in the plan on the first day of the month after completing six months of continuous and uninterrupted employment. Plan provisions and changes to plan contributions are determined by the Board of the Housing Authority.

**Housing Authority of the City of Monroe
Notes to the Basic Financial Statements**

Under a defined contribution plan, benefits depend solely on amounts contributed to the plan plus investment earnings. The employer is required to make monthly contributions equal to 14.0 percent of each participant's basic (excludes overtime) compensation.

The Housing Authority's contribution for each employee and income allocated to the employee's account are fully vested after five years of continuous service. Housing Authority's contributions and interest forfeited by employees who leave employment before five years of service are used to offset future contributions of the Housing Authority.

Normal retirement date shall be the first day of the month following the employee's 65th birthday or after 10 years of participation in the plan.

The Housing Authority's total payroll for year ended June 30, 2001, was \$2,285,359. The Housing Authority's contributions were calculated using the base salary amount of \$1,718,189. The Housing Authority made the required contributions of \$244,421 for the year ended June 30, 2001.

NOTE 7 - ACCOUNTS PAYABLE The payables at June 30, 2001, are as follows:

	<u>General</u>	<u>Tenant- Based Section 8</u>	<u>Other Enterprise</u>	<u>Total</u>
Vendors	\$185,065	\$ 1,593	\$28,349	\$215,007

Total	<u>\$334,038</u>	<u>\$153,210</u>	<u>\$28,349</u>	<u>\$515,597</u>

The accounts payable balance of \$1,000 for Homeownership, a discretely presented component unit, is contract retentions.

NOTE 8 - COMPENSATED ABSENCES At June 30, 2001, employees of the Housing Authority have accumulated and vested \$676,004 of employee leave benefits, including \$48,039 of salary related benefits which was computed in accordance with GASB Codification Section C60. In the past the liability has been liquidated by the general fund.

NOTE 9 - GENERAL LONG-TERM OBLIGATIONS The following is a summary of the long-term obligation transactions for the year ended June 30, 2001:

	<u>Compensated Absences</u>
Balance, beginning	\$614,247
Additions	61,756
Deductions	-
Balance, ending	<u>\$676,004</u>

NOTE 10 - INTERFUND RECEIVABLES/PAYABLES Interfund receivables/payables at June 30, 2001, are as follows:

<u>Receivable</u>	<u>Payable</u>	<u>Amount</u>
Management fees	General	<u>\$148,783</u>

NOTE 11 - COMMITMENTS AND CONTINGENCIES

Litigation At June 30, 2001, the Housing Authority was not involved in any threatened litigation.

Housing Authority of the City of Monroe
Notes to the Basic Financial Statements

Grant Disallowances The Housing Authority participates in a number of state and federally assisted grant programs. The programs are subject to compliance audits under the single audit approach. Such audits could lead to requests for reimbursement by the grantor agency for expenditures disallowed under terms of the grants. Housing Authority management believes that the amount of disallowances, if any, which may arise from future audits will not be material.

Construction Projects There are certain major construction projects in progress at June 30, 2001. These include modernizing rental units at practically all of the fourteen projects. These projects are being funded by HUD. Funds are requested periodically as the cost is incurred.

Self-Insurance The Housing Authority is partially self-insured for workers' compensation. Claims are funded through employee contributions and operating funds of the Housing Authority. The Housing Authority maintains stop-loss coverage with an insurance company for claims in excess of \$125,000 per occurrence for each employee for workers' compensation insurance coverage. All known claims filed and an estimate of incurred but not reported claims based on experience of the Housing Authority are made and accrued as necessary in the financial statements.

NOTE 12 - RISK MANAGEMENT The Housing Authority is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; and natural disasters for which the Housing Authority carries commercial insurance. The Housing Authority established a risk management program for workers' compensation insurance in 1994. Premiums are paid into the general fund by all other funds and are available to pay claims, claim reserves and administrative costs of the program. These interfund premiums are used to reduce the amount of claims expense reported in the general fund. As of June 30, 2001, such interfund premiums did not exceed reimbursable expenses. Interfund premiums are based primarily upon the individual funds' payroll and are reported as expenses in the individual funds.

Liabilities are reported when it is probable that a loss has occurred and the amount of the loss can be reasonably estimated. An excess coverage insurance policy covers individual claims in excess of \$125,000. Liabilities include an amount for claims that have been incurred but not reported (IBNRs). Claim liabilities are calculated considering the effects of inflation, recent claim settlement trends including frequency and amount of pay-outs and other economic and social factors. Changes in the balances of claims liabilities during the past year are as follows:

	<u>2000-2001</u>	<u>1999-2000</u>
Unpaid claims, beginning	\$ 7,087	\$ 2,200
Incurred claims (including IBNRs)	12,285	18,662
Claim payments	<u>(14,155)</u>	<u>(13,775)</u>
Unpaid claims, ending	<u>\$ 5,217</u>	<u>\$ 7,087</u>

The amount of unpaid claims does not include incremental costs.

The Housing Authority continues to carry commercial insurance for all other risks of loss. Settled claims resulting from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years.

MANAGEMENT FEES This fund represents management fees earned as contract administrator for a Section 8 New Construction program and as managing agent for two Section 202 Elderly Projects.

SECTION 8 - NEW CONSTRUCTION Provides housing assistance payments to participating owners on behalf of eligible tenants to provide decent, safe and sanitary housing for very low-income families at rents they can afford. Housing assistance payments are used to make up the difference between the approved rent due to the owner for the dwelling unit and the occupant family's required contribution towards rent.

SECTION 8 - MOD REHAB Provides housing assistance payments to participating owners on behalf of eligible tenants to provide decent, safe and sanitary housing for very low-income families at rents they can afford. Housing assistance payments are used to make up the difference between the approved rent due to the owner for the dwelling unit and the occupant family's required contribution towards rent. Assisted families must pay the highest of 30 percent of their monthly adjusted family income, 10 percent of gross family income, or the portion of welfare assistance designated for housing toward rent.

Report on Compliance and on Internal Control Over Financial Reporting Based on an Audit of Financial Statements Performed in Accordance With Government Auditing Standards

Board Members
Housing Authority of the City of Monroe
Monroe, Louisiana

We have audited the basic financial statements of the Housing Authority of the City of Monroe as of and for the year ended June 30, 2001, and have issued our report thereon dated October 12, 2001. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the Housing Authority of the City of Monroe's basic financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under Government Auditing Standards.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Housing Authority's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

This report is intended solely for the information and use of the Board, management, federal awarding agencies, and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

Report on Compliance With Requirements Applicable to Each Major Program and on Internal Control Over Compliance in Accordance With OMB Circular No. A-133

Board Members

Housing Authority of the City of Monroe
Monroe, Louisiana

Compliance

We have audited the compliance of the Housing Authority of the City of Monroe with the types of compliance requirements described in the U. S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement that are applicable to each of its major federal programs for the year ended June 30, 2001. The Housing Authority's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of the Housing Authority's management. Our responsibility is to express an opinion on the Housing Authority's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States of America; and (OMB) Circular No. A-133, Audits of States, Local Governments, and Non-Profit Organizations. Those standards and (OMB) Circular No. A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Housing Authority's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on the Housing Authority's compliance with those requirements.

In our opinion, the Housing Authority complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the year ended June 30, 2001.

Internal Control Over Compliance

The management of the Housing Authority is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered the Housing Authority's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with (OMB) Circular No. A-133.

Our consideration of the internal control over compliance would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that noncompliance with applicable requirements of laws, regulations, contracts and grants that would be material in relation to a major federal program being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over compliance and its operation that we consider to be material weaknesses.

Schedule of Expenditures of Federal Awards

We have audited the basic financial statements of Housing Authority as of and for the year ended June 30, 2001, and have issued our report thereon dated October 12, 2001. Our audit was performed for the purpose of forming an opinion on the general-purpose financial statements taken as a whole. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by OMB Circular No. A-133 and is not a required part of the general-purpose financial statements. Such information has been subjected to the auditing procedures applied in the audit of the general-purpose financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the general-purpose financial statements taken as a whole.

This report is intended solely for the information and use of the Board, management, federal awarding agencies, and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.
