## INDEPENDENT AUDITORS' REPORT

Board of Directors  
We Care Ministries of Natchitoches' Outreach Program  
Natchitoches, Louisiana 71457

We have audited the accompanying statement of financial position of the We Care Ministries of Natchitoches' Outreach Program, (a non-profit organization) as of December 31, 2002, and the related statements of activities, cash flows, and functional expenses for the year then ended. These financial statements are the responsibility of the Outreach Program's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the We Care Ministries of Natchitoches' Outreach Program, as of December 31, 2002, and the changes in its net assets, cash flows, and functional expenses for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, we have also issued a report dated June 2, 2003, on our consideration of the We Care Ministries of Natchitoches' Outreach Program's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be read in conjunction with this report in considering the results of our audit.

## REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors  
We Care Ministries of Natchitoches' Outreach Program  
Natchitoches, Louisiana 71457

We have audited the financial statements of the We Care Ministries of Natchitoches' Outreach Program, as of and for the year ended December 31, 2002, and have issued our report thereon dated June 2, 2003. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

### Compliance

As part of obtaining reasonable assurance about whether the We Care Ministries of Natchitoches' Outreach Program financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under Government Auditing Standards.

### Internal Control Over Financial Reporting

In planning and performing our audit, we considered the We Care Ministries of Natchitoches' Outreach Program's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatement in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

This report is intended solely for the information and use of the We Care Ministries of Natchitoches' Outreach Program's management and the Legislative Auditor of the State of Louisiana and is not intended to be, and should not be, used by anyone other than the specified parties.
