MANAGEMENT'S DISCUSSION AND ANALYSIS

VERNON PARISH WATER AND SEWER COMMISSION NO.. 1

May 31, 2007

This section of Vernon Parish Water and Sewer Commission No. 1's annual financial report presents background information and management's analysis of the "Commission's" financial performance during the year ended May 31, 2007. Please read it in conjunction with the financial statements in this report.

Required Financial Statements

The Basic Financial Statements of the Commission report information about the Commission using Governmental Accounting Standards Boards (GASB) accounting principles. These statements offer short-term and long-term financial information about its activities. The Statement of Net Assets (on page 9 &10) includes all of the Commission's assets and liabilities and provides information about the nature and amount of investments in resources (assets) and the obligations to Commission creditors (liabilities). All of the current year's revenues and expenses are accounted for in the Statement of Revenue, Expenses and Changes in Net Assets (on page 11). This statement measures improvements in the Commission's operations over the past year and can be used to determine whether the Commission's operations over the past year and can be used to determine whether the Commission has been able to recover all of its cost through its patient service revenue and other revenue sources. The final required financial statement is the Statement of Cash Flows (on page 13).

The primary purpose of this statement is provide information about the Commission's cash from operations, investing and financing activities, and to provide answers to such questions as 'where did cash come from?', "what was cash used for?" and "what was the change in cash balance during the reporting period?"

Financial Analysis of the Commission

The Statement of Net Assets and the Statement of Revenue, Expenses, and Changes in Net Assets report information about the Commission's activities. These two statements report the net assets of the Commission and changes in them. The Commission's net assets- the difference between assets and liabilities-are one way to measure the Commission's financial health, or financial position. Over time, increases or decreases in the Commission's net assets are one indicator of whether its financial health is improving or deteriorating.

VERNON PARISH WATER AND SEWER COMMISSION NO. 1
MAY 31, 2007
Management's Discussion and Analysis

Net Assets

A summary of the Commission's Balance Sheet is presented below:

	May 31 <u>2007</u>	May 31 <u>2006</u>	% Change
Current Assets	\$ 292,063	\$ 254,198	14.90%
Restricted Assets	437,361	637,874	(31.43%)
Capital Assets, net of depreciation	<u>1,842,607</u>	<u>1,690,972</u>	<u>8.96%</u>
Total assets	\$ <u>2,572,031</u>	\$ <u>2,583,044</u>	(0.40%)
Current liabilities	\$ 12,764	13,241	(3.60%)
Current liabilities payable from Restricted assets	239,972	238,082	0.08%
Non current liabilities	818,000	938,000	(12.79%)
Total liabilities	\$ <u>1,070,736</u>	\$ <u>1,189,323</u>	<u>(9.97%)</u>
Invested in capital assets, less debt	878,107	622,194	41.13%
Unrestricted net assets	<u>623,189</u>	<u>771,527</u>	<u>(19.23%)</u>
Total net assets	\$ <u>1,501,296</u>	\$ <u>1,393,721</u>	<u>7.72%</u>

Invested in capital assets represent the Commission's long-term investment in capital assets, net of accumulated depreciation, and is not available for current operations.

Total net assets of the Commission at May 31, 2007 were \$1,501,296. Net assets can be separated into three categories: net capital assets of related debt, restricted, and unrestricted assets.

Net capital assets of \$878,107 consist of capital assets at original cost less accumulated depreciation and related debt. The original cost of capital assets less any capital disposals is \$3,752,476. Accumulated depreciation of \$1,909,869 is the accumulation of depreciation expense since acquisition. Depreciation expense is recorded on the original cost of the asset expensed over the estimated useful life of the asset. Related debt of \$964,499 is composed of bonds and certificates of indebtedness and related accrued interest payable used to purchase capital asset additions.

The unrestricted net assets of \$623,189 are an accumulation of prior years' operating results. This balance is directly affected each year by the Commission's operating results.

Management's Discussion and Analysis

Sources of Revenue

During the year ended May 31, 2007 the Commission derived the majority of its total revenue from water sales and related fees in the Commission. This amounted to \$757,340 or 97.91% of total revenue of the Commission.

Expenses

A substantial amount of the Commission's total expenses are for payroll cost and benefits to employees of the Commission. This amounted to \$264,976 or 39.79% of total expenses.

Capital Assets

The Commission's capital assets mainly consist of its distribution system totaling \$ 1,684,869, net of depreciation, which are located throughout the Commission's geographic area.

Debt

At year-end, the Commission had total debt outstanding of \$938,000 comprised of three debt issues.

Contacting the Commission's Financial Manager

This financial report is designed to provide our citizens, customers and creditors with a general overview of the Commission's finances and to demonstrate the Commission's accountability for the money it receives. If you have questions about this report or need additional financial information, contact Connie James, the Commission's Secretary/Treasurer in Pickering, La.

INDEPENDENT AUDITOR'S REPORT

Board of Commissioners
Vernon Parish Water and Sewer Commission No. 1

I have audited the accompanying basic financial statements of the Vernon Parish Water and Sewer Commission's No. 1, as of and for the year ended May 31, 2007, as listed in the table of contents. These basic financial statements are the responsibility of the Vernon Parish Water and Sewer Commission's No. 1 management. My responsibility is to express an opinion on these basic financial statements based on my audit.

I conducted my audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the basic financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general-purpose financial statements.

An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall basic financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the basic financial statements referred to above present fairly, in all material respects, the financial position of the Vernon Parish Water and Sewer Commissions No. 1 as of and for the year ended May 31, 2007, and the results of its operations and cash flows for the year then ended in conformity with generally accepted accounting principles generally accepted in the United States of America.

Management's discussion and analysis on pages 1 through 5 is not a required part of the basic financial statements but is supplementary information required by the Government Accounting Standards Board. I have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the supplementary information. However, I did not audit the information and express no opinion on it.

In accordance with Government Auditing Standards, I have also issued my reported dated November 9, 2007 on my consideration of the Vernon Parish Water and Sewer Commission No. 1 internal control over financial reporting and my tests of its compliance with certain provision of laws, regulations, contracts, and grants. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be read in conjunction with this report in considering the result of my audit.

VERNON PARISH WATER AND SEWER COMMISSION NO. 1
May 31, 2007
Notes to the Financial Statements

1. ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES

The Vernon Parish Water and Sewer Commission No. 1 is a political subdivision of the Vernon Parish Police Jury. The "Commission" is governed by a board of commissioners, composed of five members, who serve with compensation and are appointed for various terms by the Vernon Parish Police Jury.

The financial statements of the Vernon Parish Water and Sewer Commission No 1 have been prepared in conformity with accounting principles generally accepted in the United States of American (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing government accounting and financial reporting principles. The more significant of the Commission's accounting policies are described below.

Reporting Entity

GASB Statement No. 14, The Reporting Entity, as amended, established criteria for determining the government reporting entity and component units that should be included within the reporting entity. Under provisions of this Statement, the Commission is considered a component unit, since it is a subdivision of the Vernon Parish Police Jury that reports to the Jury. As used in GASB Statement No 14, fiscally independent means that the Commission may, without the approval or consent of another governmental entity, determine or modify its own budget, levy its own taxes or set rates or charges, and issued bonded debt. The Commission only does certain of the above functions and its board members are also appointed by the Jury, Thus the Commission is classified as a component unit.

VERNON PARISH WATER AND SEWER COMMISSION NO. 1
May 31, 2007
Notes to the Financial Statements

Basis of Presentation

As stated above, effective January 1, 2002, the Commission adopted the provisions of Statement No. 34 and Statement No. 37. These statements established standards for external financial reporting for all state and governmental entities, which includes a statement of net assets, a statement of revenues, expenses and changes in net assets, and a statement of cash flows. It requires the classification of net assets into three components - invested in capital assets, net of related debt; restricted; and unrestricted. These classifications are defined as follows:

- * Invested in capital assets, net of related debt: This component of net assets consists of capital assets, net of accumulated depreciation, and reduced by the outstanding balances of bonds, mortgages, notes, or other borrowings that are attributable to the acquisition, construction or improvement of those assets.
- * Restricted net assets: This component of net assets consists of constraints imposed by creditors (such as through debt covenants), contributors, laws or regulations of other governments, or through constitutional provisions or enabling legislation.
- * Unrestricted net assets: This component of net assets consists of net assets that do not meet the definition of "restricted" or "invested in capital assets, net of related debt."

Fund Accounting

The accounts of the Commission are organized on the basis of an enterprise fund. Enterprise funds are used to account for operations that are financed and operated in a manner similar to private business enterprises- where the intent of the governing body is that the costs expenses, including depreciation)of providing goods and services to the general public on a continuing basis be financed primarily through user charges or where the governing body has decided that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, accountability, or other purposes.

VERNON PARISH WATER AND SEWER COMMISSION NO. 1

May 31, 2007

Notes to the Financial Statements

Basis of Accounting

The accounting and financial reporting treatment applied to a fund is determined by its measurement focus. Enterprise funds follow GAAP prescribed by the Government Accounting Standards Board and Financial Accounting Standards Board's Standards issue prior to November 30, 1989. Enterprise funds are accounted for an a flow of economic measurement focus. With this measurement focus, all assets and liabilities associated with the operating of these funds are included on the balance sheet. The operating statement presents increases (revenues) and decreases (expenses) in total net assets.

The accrual basis of accounting is utilized by enterprise funds. Under this method, revenues are recorded when earned and expenses are recorded at the time liabilities are incurred.

Enterprise funds distinguish operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with its principal ongoing operations. The principal operating revenues of the Commission are charges for water sales. Operating expense include costs of providing water services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

Cash

Cash includes amounts in demand deposits as well as short-term investments with a maturity date within three months of the date acquired by the government.

Capital Assets

All purchased capital assets are stated at cost. Donated capital assets are valued at their estimated fair market value on the date received. Depreciation of all exhaustible capital assets is charged against operations. Depreciation is computed over the estimated useful lives ranging from 5 to 45 years using the straight-line method.

Compensated Absences

Vested or accumulated vacation and sick leave are recorded on the Commission records as the benefits accrued to employees. No liability is recorded for compensated absences that relate to future service or that are contingent on a specific event that is outside the control of the employer and employees.

VERNON PARISH WATER AND SEWER COMMISSION NO. 1

May 31, 2007

Notes to Financial Statements

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimated and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

2. **CASH AND INVESTMENT COLLATERAL**

Under state law, the Commission may deposit funds with a fiscal agent bank organized under the laws of the State of Louisiana, the laws of any other state in the Union, or the laws of the United States. The Commission may invest in United States bonds, treasury notes, time certificates of deposit of any bank domiciled or having a branch office in the State of Louisiana, investments as stipulated in state law, or any other federally insured investment.

At May 31, 2007, the Commission had cash and investments as follows:

	<u>UNRESTRICTED</u>	<u>RESTRICTED</u>	<u>TOTAL</u>
Cash (demand deposits) and certificate of deposit	<u>\$198,927</u>	<u>\$437,361</u>	<u>\$636,288</u>

At year end, the carrying amount of the Commission's deposits (demand deposits and certificates of deposit) was \$636,288, and the bank balances were \$648,025. A summary of collateralization of bank balances is presented below.

Insured (Federal deposit insurance)	\$ 200,000
Uncollateralized (In accordance with GAAP - See below)	<u>436,288</u>
	<u>\$ 636,288</u>

These deposits are stated at cost, which approximates market. Under state law, these deposits (or the resulting bank balances) must be secured by federal deposit insurance or the pledge of securities owned by the fiscal agent bank. The market value of the pledged securities plus the federal deposit insurance must at all times at least equal the amount on deposit with the fiscal agent.

VERNON PARISH WATER AND SEWER COMMISSION NO. 1

May 31, 2007

Notes to the Financial Statements

The uncollateralized amount shown above is secured by pledged securities with a market value of \$350,000 held in the name of the pledging fiscal agent banks in holding or custodial banks. Even though the pledged securities are considered uncollateralized under GAAP, Louisiana Revised Statutes impose a statutory requirement on the custodial bank to advertise and sell the pledged securities within 10 days of being notified by the Commission that the fiscal agent has failed to pay deposited funds upon demand.

3. RECEIVABLES

Receivables at May 31, 2007 consist of the following:

Accrued interest	\$	---
Accounts		<u>72,063</u>
Net total Receivables	\$	<u>72,063</u>

VERNON PARISH WATER AND SEWER COMMISSION NO. 1
 May 31, 2007
 Notes to the Financial Statements (Continued)

4. CHANGES IN CAPITAL ASSETS

	Balance	<u>Additions</u>	<u>Retirements</u>	Balance
Land	\$ 21,661	---	---	\$ 21,661
Land improv.	13,582	9,400	---	22,982
Buildings	105,075	---	---	105,075
Water System	3,170,819	186,479	---	3,357,298
Furniture				
Equip/Vehicle	167,613	<u>77,846</u>	-----	<u>245,460</u>
Totals	<u>\$3,478,750</u>	<u>\$273,725</u>	\$ -----	<u>\$3,752,476</u>
Accumulated depreciation				<u>(1,909,869)</u>
Net capital assets				<u>\$1,842,607</u>

Depreciation expense included in the financial statements for the fiscal year ended May 31, 2007 is \$ 122,090.

Capital assets are depreciated using the straight line method over the following estimated useful lives:

Vehicles	5 years
Building	15 years
Improvements other than building	45 years
Furniture and equipment	3-10 years

2012	<u>25,000</u>	<u>500</u>	<u>25,500</u>
Total	<u>\$110,000</u>	<u>\$ 11,600</u>	<u>\$121,600</u>

NOTE 6 - RISK MANAGEMENT

The Commission is exposed to various risks of loss related to torts, theft or damage and destruction of assets, errors and omissions, injuries to employees, and natural disasters. The Commission carries commercial insurance as outlined in the following table. Settled claims did not exceed commercial coverage for any of the past three fiscal years.

LIMITS
OF
COVERAGE

Workmen's compensation	\$ 500,000
Auto liability	300,000
Commercial general liability	2,000,000
Commission-owned buildings and equipment	212,500

The Commission covers all other losses, claim settlements, and judgments from operating resources. Claims expenditures and liabilities are reported when it is probable that a loss has occurred and the amount of that loss can be reasonably estimated.

The Commission was not involved in any litigation nor did it have asserted claims lodged against it.

W. Micheal Elliott,

**REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL
REPORTING BASED ON AN AUDIT OF BASIC FINANCIAL STATEMENTS
PERFORMED
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

Board of Commissioners
VERNON PARISH WATER AND SEWER COMMISSION #1

I have audited the financial statements of the VERNON PARISH WATER AND SEWER COMMISSION #1 as of and for the year ended December 31, 2006, and have issued my report thereon dated June 20, 2007. I conducted my audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the VERNON PARISH WATER AND SEWER COMMISSION #1 basic financial statements are free of material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit and, accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance that is required to be reported under *Government Auditing Standards*.

In planning and performing my audit of the financial statements of VERNON PARISH WATER AND SEWER COMMISSION #1 as of and for the year ended December 31, 2006 in accordance with auditing standards generally accepted in the United States of America, I considered VERNON PARISH WATER AND SEWER COMMISSION #1 internal control over financial reporting (internal control) as a basis for designing my auditing procedures for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Commission's internal control. Accordingly, I do not express an opinion on the effectiveness of the Commission's internal control.

My consideration of internal control was for the limited purpose described in the preceding paragraph and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. I noted no deficiencies in internal control that I consider to be significant deficiencies.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the Commission's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the Commission's financial statements that is more than inconsequential will not be prevented or detected by the Commission's internal control.

This report is intended solely for the information and use of management and the Board of Commissioners, state awarding agencies and the Louisiana Legislative Auditor's office of the State of Louisiana and is not intended to be and should not be used by anyone other than these specified parties. Under Louisiana Revised Statute 24:513, this report is distributed by Legislative Auditor as a public document.
