Independent Auditor's Report

To the Board of Directors
Southeastern Louisiana Area
Health Education Center Foundation

We have audited the accompanying statement of financial position of Southeastern Louisiana Area Health Education Center Foundation (the Foundation) as of June 30, 2008, and the related statements of activities and cash flows for the year then ended. These financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Southeastern Louisiana Area Health Education Center Foundation as of June 30, 2008, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

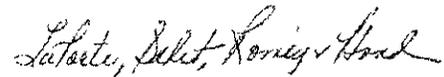

In accordance with *Government Auditing Standards*, we have also issued a report dated December 5, 2008, on our consideration of Southeastern Louisiana Area Health Education Center Foundation's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, grants and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Member of the RSM Group

Our audit was performed for the purpose of forming an opinion on the basic financial statements of Southeastern Louisiana Area Health Education Center Foundation taken as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget (OMB) Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is not a required part of the basic financial statements. In addition, the accompanying financial information in Schedules I through III, is presented for purposes of additional information and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

**SOUTHEASTERN LOUISIANA AREA HEALTH
EDUCATION CENTER FOUNDATION**

Notes to Financial Statements

Note 1. Summary of Significant Accounting Policies

Organization

Southeastern Louisiana Area Health Education Center Foundation (the Foundation) is a Louisiana non-profit organization chartered on June 22, 1989. Its purpose is to operate an area health education center in southeastern Louisiana, in order to plan for additional clinical educational opportunities in rural and underserved communities.

Federal Income Taxes

The Foundation is exempt from Federal income tax as an organization described in Section 501(c)(3) of the Internal Revenue Code.

Basis of Accounting

The Foundation prepares its financial statements in accordance with accounting principles generally accepted in the United States of America, involving the application of accrual accounting; consequently, revenues and gains are recognized when earned, and expenses and losses are recognized when incurred.

Basis of Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) No. 117, *Financial Statements of Not-for-Profit Organizations*. Under SFAS No. 117, the Foundation is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. As of June 30, 2008, there are no temporarily or permanently restricted net assets.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Contributions

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions.

**SOUTHEASTERN LOUISIANA AREA HEALTH
EDUCATION CENTER FOUNDATION**

Notes to Financial Statements

Note 1. Summary of Significant Accounting Policies (Continued)

Donated Goods and Services

Under SFAS No. 116, organizations are required to recognize as revenue and related expense, services received if the organization would typically need to purchase the services if not received as donations. No amounts have been reflected in the financial statements for donated goods and services because there was either no objective basis available to measure their value or the value given was immaterial to the financial statements taken as a whole.

Revenue and Expenses

Support for the Foundation is provided primarily by the Louisiana State University and Agricultural and Mechanical College, acting on behalf of the Louisiana State University Medical Center (LSUMC), and by federal grants received either directly from federal agencies or passed through state and local governmental agencies.

Expenditures pertaining to the funding provided by LSUMC are to be made in accordance with a budget, which has been adopted and made a part of the cooperative endeavor with LSUMC. The Foundation is to be reimbursed by LSUMC for costs incurred in carrying out the provisions of the agreement.

For federal and state grants administered on a cost-reimbursement basis, revenue is recognized as allowable expenditures are incurred.

Fixed Assets

Effective with the October 1, 1994 cooperative endeavor between LSUMC and the Foundation, title to equipment purchased with these funds is to remain with the Foundation. Prior to October 1, 1994, title to equipment purchased with these funds was to remain with LSUMC. Therefore, equipment purchased with funds provided by LSUMC during the fiscal year ended June 30, 2008, have been capitalized and recorded in the Statement of Financial Position. In addition, the costs of automobiles, furniture, and office equipment purchased with funds provided by federal award programs have been capitalized and recorded in the Statement of Financial Position. Acquisitions of property and equipment in excess of \$1,000 and an economic useful life greater than one year are capitalized. Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. Depreciation is computed using the straight-line method over the estimated useful lives of the related assets as follows: building and building improvements - 30 years, furniture and equipment - 5 to 7 years.

Cash Flow Information

The Foundation considers all short-term investments with an original maturity of three months or less to be cash equivalents. The Foundation did not make any cash payments for income taxes during the year ended June 30, 2008.

Economic Dependency

Support for the Foundation is provided primarily by appropriations from the Louisiana State Legislature via a cooperative endeavor with the Louisiana State University Medical Center. The Foundation also receives grants through federal and state agencies. The continued operations of the Foundation are dependent upon the renewal by these funding sources.

EDUCATION CENTER FOUNDATION**

Notes to Financial Statements

Note 1. Summary of Significant Accounting Policies (Continued)

Advertising Costs

Advertising costs are expensed as incurred. There were no advertising expenses for the year.

Note 2. Fixed Assets

As of June 30, 2008, fixed assets consist of the following:

Office Equipment	\$ 132,562
Office Furniture	<u>43,751</u>
	176,313
Less: Accumulated Depreciation	<u>(136,174)</u>
Total	<u>\$ 40,139</u>

All capitalized assets are depreciated using the straight-line basis over the estimated useful lives of the assets. Depreciation expense for the year ended June 30, 2008, totaled \$9,912.

Note 3. Notes Payable

As of June 30, 2008, the Foundation had \$146,146 outstanding on a line of credit.

Note 4. Retirement Plan

The Foundation established an employer sponsored 403(b) Annuity Plan (the Plan) effective October 1, 1990, to provide retirement benefits for employees of the Foundation and the payment of benefits to employees and their beneficiaries. The Foundation's contribution was 7.0% of the employees' salaries during the year ended June 30, 2008. Additionally, an amount determined by resolution of the Board of Directors of the Foundation may be contributed to the Plan. The contribution to the Plan for June 30, 2008, amounted to \$99,958.

Note 5. Functional Allocation of Expenses

The costs of providing the various programs and activities have been summarized on a functional basis in the Statement of Activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Note 6. Concentration of Risk

At June 30, 2008, the Foundation had funds deposited in financial institutions in excess of the \$100,000 FDIC guaranteed limits.

Note 7. Commitments and Contingencies

**SOUTHEASTERN LOUISIANA AREA HEALTH
EDUCATION CENTER FOUNDATION**

Notes to Financial Statements

Operating Lease

Effective January 1, 2006, the Foundation began leasing the building it transferred to Louisiana Rural Health Services Corporation (LRHSC) on a month to month basis. The Foundation pays a monthly rent to LRHSC. Total rent expense for the year ended June 30, 2008, totaled \$23,495.

**Notes to the Schedule of Expenditures of Federal Awards
For the Year Ended June 30, 2008**

Note 1. Basis of Presentation

The accompanying schedule of expenditures of federal awards includes the grant activity of Southeastern Louisiana Area Health Education Center Foundation and is presented on the accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in, the preparation of the basic financial statements.

LAPORTE SEHRT

**REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED
ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Directors
Southeastern Louisiana Area
Health Education Center Foundation

We have audited the financial statements of Southeastern Louisiana Area Health Education Center Foundation (the Foundation), a non-profit organization, as of and for the year ended June 30, 2008, and have issued our report thereon dated December 5, 2008. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial statements contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Foundation's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Foundation's internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the Foundation's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles, such that there is more than a remote likelihood that a misstatement of the Foundation's financial statements that is more than inconsequential will not be prevented or detected by the organization's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the organization's internal control.

WWW.LAPORTE.COM

RSM McGladrey Network

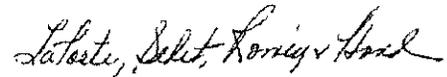

MEMBER OF THE RSM MCGGLADREY NETWORK

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

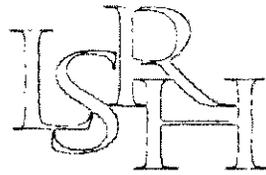

As part of obtaining reasonable assurance about whether the Foundation's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended for the information of the Board of Directors, management, the Legislative Auditor of the State of Louisiana, federal awarding agencies and pass-through entities, and is not intended to be, and should not be, used by anyone other than these specified parties. Under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.

**REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE
TO EACH MAJOR PROGRAM AND ON INTERNAL CONTROL
OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133**

To the Board of Directors
Southeastern Louisiana Area
Health Education Center Foundation

Compliance

We have audited the compliance of Southeastern Louisiana Area Health Education Center Foundation (the Foundation), a non-profit organization, with the types of compliance requirements described in the United States Office of Management and Budget (OMB) Circular A-133 Compliance Supplement that are applicable to each of its major federal programs for the year ended June 30, 2008. The Foundation's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of the Foundation's management. Our responsibility is to express an opinion on the Foundation's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Foundation's compliance with those requirements and performing such other procedures, as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on the Foundation's compliance with those requirements.

In our opinion, the Foundation complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the year ended June 30, 2008.

Internal Control Over Compliance

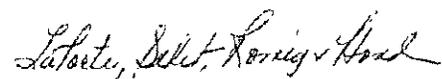

The management of the Foundation is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered the Foundation's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Entity's internal control over compliance.

A control deficiency in an entity's internal control over compliance exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect noncompliance with a type of compliance requirement of a federal program on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to administer a federal program such that there is more than a remote likelihood that noncompliance with a type of compliance requirement of a federal program that is more than inconsequential will not be prevented or detected by the entity's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that material noncompliance with a type of compliance requirement of a federal program will not be prevented or detected by the entity's internal control.

Our consideration of the internal control over compliance was for the limited purpose described in the first paragraph of this section and would not necessarily disclose all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

This report is intended for the information of the Board of Directors, management, the Legislative Auditor of the State of Louisiana, federal awarding agencies and pass-through entities, and is not intended to be, and should not be, used by anyone other than these specified parties. Under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.
