These procedures were agreed to by management of the Louisiana State Board of Dentistry and the Legislative Auditor, State of Louisiana, solely to assist the users in assessing certain controls and in evaluating management’s assertions about the Louisiana State Board of Dentistry compliance with certain laws and regulations during the year ended June 30, 2014.

This agreed-upon procedures engagement was performed in accordance with attestation standards established by the American Institute of Certified Public Accountants and applicable standards of Government Auditing Standards.    Results
   No exceptions noted.

Determine if there is evidence of management review of the bank reconciliations. Determine if the reconciled balance for the final month of the fiscal year agrees to the general ledger.

Credit Cards

1. Obtain from management a listing of all active credit cards (and bank debit cards if applicable) for the period under examination, including the card numbers and the names of the persons who maintained possession of the cards.

   Not Applicable – the Board does not maintain agency credit cards.

2. Obtain the monthly statements for all credit/debit cards used during the period under examination and select for detailed review the largest (dollar amount) statement for the two cards with the most (dollar amount) activity:

   A. Obtain the entity’s supporting documentation for the largest purchase/charge shown on each selected monthly statement:

      • Determine if each purchase is supported by:

- An original itemized receipt (i.e., identifies precisely what was purchased)
- Documentation of the business/public purpose (Note: For meal charges, there should also be documentation of the individuals participating)
- Other documentation as may be required by policy (e.g., purchase order, authorization, etc.)

B. Determine if there is evidence of management review of the two selected statements.

**Results**
*Not Applicable – the Board does not maintain agency credit cards.*

**Travel and Expense Reimbursement**

     - For an appropriate and necessary business purpose relative to the travel

   - Determine if each expenditure is supported by:
     - An original itemized receipt (i.e., identifies precisely what was purchased) [Note: An expense that is reimbursed based on an established per diem amount (e.g., meals) generally does not require a receipt.]
     - Documentation of the business/public purpose (Note: For meal charges, there should also be documentation of the individuals participating)
     - Other documentation as may be required by policy (e.g., authorization for travel, conference brochure, certificate of attendance, etc.)

**Results**
