**INDEPENDENT AUDITORS' REPORT**

To the Board of Directors  
Florida T.L.C. Child Care, Inc.  
P. O. Box 477  
Franklinton, Louisiana 70438

We have audited the accompanying statement of financial position of the Family Day Care Home Program of Florida T.L.C. Child Care, Inc. (a non-profit organization) as of September 30, 2010, and the related statements of activities and cash flows for the year then ended. These financial statements are the responsibility of the organization's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Family Day Care Home Program of Florida T.L.C. Child Care, Inc. as of September 30, 2010, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued a report dated May 13, 2011, on our consideration of the Family Day Care Home Program of Florida T.L.C. Child Care, Inc.'s internal control over financial reporting and on our tests of its compliance with laws, regulations, contracts, grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Our audit was conducted for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments and Non-Profit Organizations*, and is not a required part of the financial statements. The schedule of functional expenses and other schedules as listed in the table of contents under supplemental information are presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves and other procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements taken as a whole.

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Nature of Activities**

The Family Day Care Home Program of Florida T.L.C. Child Care, Inc. (hereafter referred to as the Organization) is a private agency located in Washington Parish, Louisiana and chartered under the laws of the State of Louisiana as a non-profit corporation. Its purpose is to provide social services and other benefits to primarily low income, disabled, elderly or other disadvantaged residents of Washington and nearby parishes and to mobilize resources for the conduct of these efforts. It engages in the U. S. Department of Agriculture Food and Nutrition Services under 7 CFR Part 226 with approval to participate in the parishes of Livingston, St. Helena, St. Tammany, Tangipahoa and Washington.

It operates on a fiscal year ending September 30<sup>th</sup>, and its significant accounting policies are as follows:

**Cash and Cash Equivalents**

Cash and cash equivalents consist of demand deposits. For purposes of the statement of cash flows, the Organization considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

**Receivables**

Accounts receivable are stated at net realizable value. The Organization maintains allowances for doubtful accounts for estimated losses resulting from the inability of its customers/vendors to make required payments. Because collection is expected at 100%, an allowance for doubtful accounts has not been recorded.

**Inventory**

Inventory includes only office supplies and printed materials, the amount of which is considered immaterial. Therefore, the acquisition of these items is expensed when purchased, and the inventory on hand at year-end is not reported in the accompanying

**Property and Equipment**

Property and equipment purchased by the Organization is recorded at cost. They are depreciated using the straight-line method over the estimated useful lives of the assets. Equipment with an original cost of \$500 or greater is generally capitalized. Donations of property and equipment are recorded as support at their estimated fair value. Such donations are reported as unrestricted support unless the donor has restricted the donated assets to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support.

**Support and Expenses**

The Organization reports administrative and program reimbursements on the accrual basis of accounting. The amounts due to providers are also reported on the accrual basis of accounting. A

**FLORIDA T.L.C. CHILD CARE, INC.**  
**NOTES TO FINANCIAL STATEMENTS**

donor restriction applies to the program reimbursement, and the amount is shown as temporarily restricted net assets. When the donor restriction expires, that is, when the stipulated restriction ends by payments to the providers, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Donor-restricted reimbursements whose restrictions are met in the same reporting period are reported as unrestricted support.

Expenses are recorded when incurred in accordance with the accrual basis of accounting. Advertising costs are expensed as incurred. These totaled \$1,635.41 during the year.

**Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**Financial Statement Presentation**

The Organization has adopted Statement of Financial Accounting Standards (SFAS) No. 117 "*Financial Statement of Not-For-Profit Organization.*" Under SFAS No. 117, the Organization is required to report information regarding its net assets and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets. In addition, the Organization is required to present a statement of cash flows. As permitted by this new statement, the Organization has discontinued its use of fund accounting and has, accordingly, reclassified its financial statements to present the three classes of net assets required. This reclassification had no effect on the change in net assets in the year this standard was adopted (1998).

**Income Taxes**

The Organization is a not-for-profit corporation that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code.

**NOTE 2 – CASH AND CASH EQUIVALENTS**

Cash and cash equivalents consist of the following:

Demand deposits	\$ <u>12,462.58</u>
-----------------	---------------------

Of this amount, \$11,406.97 is maintained in the administrative and provider accounts to be utilized for the family day care home program. The remaining funds are held by the General Fund and can be utilized at the discretion of management.

Receivables at year-end consist of the following:

Due from...	
Department of Education	\$ 59,926.41
Employees	114.11
Director	<u>300.00</u>
 Total	 <u>60,340.52</u>

The balance due from the Department of Education represents the September 2010 reimbursement claim received in the subsequent month.

**NOTE 4 – ACCOUNTS AND OTHER PAYABLES**

Payables at year-end include the following:

Trade	\$ 6,166.55
Payroll and related	2,265.52

S. Department of Agriculture Food and Nutrition Services under 7 CFR Part 226. The amount due to providers requested but not yet received at year end has been accrued in the accompanying financial statements and is listed in the note above.

**NOTE 8 – CONCENTRATIONS**

*Receivables and Revenues.* All receivables recorded are due from the Louisiana Department of Education, Division of Nutrition Assistance. Approximately 99% of the Organization's support is paid by the Department of Education, State of Louisiana through the U.S. Department of Agriculture Food and Nutrition Services, Family Day Care Home Program, under 7 CFR Part 226.

**REPORT ON COMPLIANCE AND OTHER MATTERS AND ON  
INTERNAL CONTROL OVER FINANCIAL REPORTING  
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED  
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Board of Directors  
Florida T.L.C. Child Care, Inc.  
P. O. Box 477  
Franklinton, Louisiana 70438

We have audited the financial statements of the Family Day Care Home Program of Florida T.L.C. Child Care, Inc. (a non-profit organization) as of and for the year ended September 30, 2010, and have issued our report thereon dated May 13, 2011. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Family Day Care Home Program of Florida T.L.C. Child Care, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and, accordingly, we do not express such an opinion. The results of our tests disclosed one instance of noncompliance that is required to be reported under *Government Auditing Standards* and is described in the accompanying schedule of findings and questioned costs as item 2010.01.

## Internal Control over Financial Reporting

In planning and performing our audit, we considered the Family Day Care Home Program of Florida T.L.C. Child Care, Inc.'s internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Family Day Care Home Program of Florida T.L.C. Child Care, Inc.'s internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Family Day Care Home Program of Florida T.L.C. Child Care, Inc.'s internal control over financial reporting.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis.

Our consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

This report is intended solely for the information and use of management, others within the agency, the Legislative Auditor and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties. Under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.

**Compliance**

We have audited the compliance of the Family Day Care Home Program of Florida T.L.C. Child Care, Inc. (a nonprofit organization) with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) *Circular A-133 Compliance Supplement* that are applicable to each of its major federal programs for the year ended September 30, 2010. The Organization's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements referred to above is the responsibility of the Family Day Care Home Program of Florida T.L.C. Child Care, Inc.'s management. Our responsibility is to express an opinion on the Family Day Care Home Program Florida T.L.C. Child Care, Inc.'s compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program identified in the accompanying schedule of findings and questions costs occurred. An audit includes examining, on a test basis, evidence about the Family Day Care Home Program of Florida T.L.C. Child Care, Inc.'s compliance

with those requirements and performing such other procedures, as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of the Family Day Care Home Program of Florida T.L.C. Child Care, Inc.'s compliance with those requirements.

In our opinion, the Family Day Care Home Program of Florida T.L.C. Child Care, Inc. complied, in all material respects, with the compliance requirements referred to above that are applicable to each of its major federal programs identified in the accompanying schedule of findings and questioned costs for the year ended September 30, 2010.

### **Internal Control Over Compliance**

Management of the Family Day Care Home Program of Florida T.L.C. Child Care, Inc. is responsible for establishing and maintaining effective internal control over compliance with the requirements referred to above. In planning and performing our audit, we considered the Family Day Care Home Program of Florida T.L.C. Child Care, Inc.'s internal control over compliance with the requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on the internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Family Day Care Home Program of Florida T.L.C. Child Care, Inc.'s internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

Our consideration of the internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be deficiencies, significant deficiencies or material weaknesses in internal control over compliance. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

This report is intended solely for the information and use of management, others within the Organization, the Legislative Auditor and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.
