Financial Audit Services • March 2014

Why We Conducted This Audit

We conducted certain procedures at the Department of Wildlife and Fisheries (LDWF) to evaluate its accountability over public funds for the period July 1, 2012, through February 4, 2014.

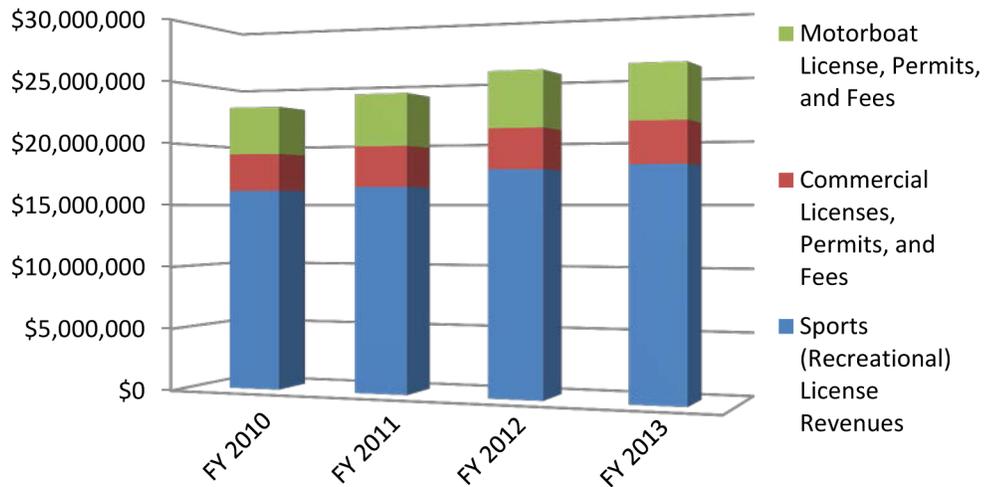

What We Found

We evaluated controls and transactions relating to licensing revenues, time and attendance records, and White Lake Property Fund revenues. We found those controls provided reasonable assurance of accountability over public funds for the period examined.

In evaluating licensing revenues, we noted collections have steadily increased over the past four fiscal years.

We issued a procedural report on December 18, 2013, related to the Louisiana Seafood Promotion and Marketing Board, which was under LDWF until June 30, 2013. That report can be accessed on the Louisiana Legislative Auditor's website at <http://www.lla.la.gov>.
