INDEPENDENT AUDITORS' REPORT

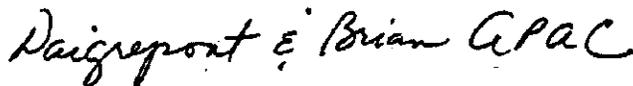

To the Board of Directors
Maison des Ami of Louisiana, Inc.
Baton Rouge, Louisiana

We have audited the accompanying statements of financial position of Maison des Ami of Louisiana, Inc. (a non-profit organization), as of June 30, 2011 and 2010, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended. These financial statements are the responsibility of the organization's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Maison des Ami of Louisiana, Inc. as of June 30, 2011 and 2010, and the results of its operations and cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated December 28, 2011, on our consideration of Maison des Ami of Louisiana, Inc.'s internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

**MAISON DES AMI OF LOUISIANA, INC.
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2011 AND 2010**

1. Summary of Significant Accounting Policies

Nature of Operations

Maison des Ami, Inc. was incorporated as a non-profit corporation on October 20, 1990 and the articles were amended on February 2, 1992 to become Maison des Ami of Louisiana, Inc. (the Organization). The Organization provides shelter, meals, transportation and medication supervision to the mentally ill and developmentally deficient in Baton Rouge, Louisiana. Support for the Organization comes from the Louisiana Department of Health and Hospitals, the City of Baton Rouge, East Baton Rouge Parish, residents living in the home, contributions from individuals, corporations, and other non-profit organizations.

Basis of Accounting

The financial statements of Maison des Ami of Louisiana, Inc. have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables and other liabilities.

Basis of Presentation

The financial statements are prepared in accordance with generally accepted accounting principles promulgated in the United States of America for not-for-profit organizations. The Organization reports information about its financial position and activities using three classes of net assets that recognize the existence and nature of restrictions on its net assets.

Unrestricted net assets represent resources over which the Board of Directors has unlimited discretionary control to use in carrying out the activities of the organization in accordance with the Articles of Incorporation and bylaws.

Temporarily restricted net assets represent resources over which use is limited by donor-imposed restrictions that will be met either by actions of the organization or by passage of time.

Permanently restricted net assets represent resources whose use is limited by donor-imposed restrictions that require the net assets to be maintained permanently.

Restricted and Unrestricted Support

Contributions received are recorded as temporarily restricted, permanently restricted or unrestricted support depending on the nature of any donor restriction. Contributions made to the Organization are considered available for unrestricted use unless specifically restricted by the donor. Contributions of property and equipment are reported as unrestricted contributions when placed in service unless the donor has restricted the use of the asset to a specific purpose or time period. Contributions of cash or other assets are unrestricted when acquired and placed in service, unless the donor has also required that the asset be used for a specific purpose or time period.

All restricted support is reported as an increase in temporarily or permanently restricted net assets. However, support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is received. When a restriction expires, such as when a stipulated time period ends or a purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets.

**MAISON DES AMI OF LOUISIANA, INC.
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2011 AND 2010**

1. Summary of Significant Accounting Policies (continued)

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents include all monies in banks and highly liquid investments with a maturity of three months or less. The carrying value of cash and cash equivalents approximates fair value due to the short maturities of those financial instruments.

Grants Receivable

Grants receivable consists of amounts due from federal, state and local governments, as well as, other non-profit organizations. Management believes that all grants receivable as of the balance sheet dates are collectible and thus no allowance for doubtful accounts is necessary.

Income Taxes

The Organization is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code.

The Organization files Form 990 in the U.S. federal jurisdiction. The Organization is no longer subject to examination from the U.S. federal jurisdiction for fiscal tax years before June 30, 2008.

Subsequent Events

The Organization has evaluated subsequent events through December 28, 2011, the date the financial statements were available to be issued, for recording and disclosure.

2. Property and Equipment

All acquisitions of property and equipment in excess of \$500 and all expenditures for betterments that materially prolong the useful lives of assets are capitalized and are carried at cost. Depreciation is computed using the straight-line method over the estimated useful lives of the assets as follows:

Building and improvements	30 years
Furniture and fixtures	5 years
Machinery and equipment	5 years

MAISON DES AMI OF LOUISIANA, INC.
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2011 AND 2010

2. Property and Equipment (continued)

Property and equipment consists of the following:

	<u>2011</u>	<u>2010</u>
Buildings and improvements	\$ 492,902	\$ 492,902
Furniture and equipment	57,313	56,803
Machinery and equipment	47,372	47,372
Land	<u>60,703</u>	<u>60,703</u>
	658,290	657,780
Accumulated depreciation	<u>(349,739)</u>	<u>(328,820)</u>
	<u>\$ 308,551</u>	<u>\$ 328,960</u>

3. Notes Payable

Long term notes payable consists of the following:

	<u>2011</u>	<u>2010</u>
Note dated October 14, 2008 with an original balance of \$150,000, due in monthly payments of \$2,117 on the 14 th of the month with an interest rate of 6.5%. The note is secured by an interest in the Organization's facility.	\$ 106,531	\$ 122,840
Less current installments	<u>(20,716)</u>	<u>(17,970)</u>
	<u>\$ 85,815</u>	<u>\$ 104,870</u>

Maturities of long term notes payable are as follows:

2012	\$ 20,716
2013	20,457
2014	21,827
2015	23,289
Thereafter	<u>20,242</u>
	<u>\$ 106,531</u>

4. Related Party Note Payable

With approval from the board of directors, the Organization obtained a short term note payable from one member of the board in the amount of \$26,000. The purpose of the note was to obtain bridge funding while the Organization waits on payments from its contract billings. The note was originally due on April 16, 2009 in a lump sum plus interest of 3% but has been extended several times by the board member and is still outstanding at June 30, 2011. On December 14, 2011 the note was forgiven in full by the board member.

5. Leasing Arrangements

For the year ended June 30, 2011 the Organization had an operating lease for equipment. The lease calls for payments of \$125 per month for 60 months beginning on October 20, 2006. Future minimum lease payments for the year end June 30, 2012 are \$375.

**MAISON DES AMI OF LOUISIANA, INC.
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2011 AND 2010**

6. In-Kind Contributions

For the years ended June 30, 2011 and 2010 the Organization received food for residents from the Baton Rouge Food Bank valued at \$37,134 and \$46,900, respectively. The Organization also received supplies, clothing, and repairs from various other donors valued at \$9,730 and \$1,371 for the years ended June 30, 2011 and 2010, respectively. These in-kind contributions are recorded as revenue with the offset recorded as in-kind expense.

7. Concentrations of Revenue and Receivables

For the year ended June 30, 2011 approximately 31% of the organization's revenue is from funding provided by HUD with the entire balance of grants receivable being from this donor.

For the year ended June 30, 2010 approximately 30% and 26% of the organization's revenue was from funding provided by HUD and the Capital Area Human Services District, respectively. Approximately 74% and 18% of grants receivable were from HUD and the Capital Area Human Services District, respectively.

8. Temporarily Restricted Net Assets

The Organization has net assets restricted for the following purposes:

The Organization received a grant from the Wilson Foundation in the amount of \$35,898 for interior and exterior facility improvements. During the year the grantor agreed to reallocate the funds under this grant to cover repairs already made by the Organization. The amount released from restriction as a result of this reallocation was \$23,051. As of June 30, 2011 the restrictions on this grant have been satisfied.

The Organization received a grant from the Baton Rouge Area Foundation in the amount of \$15,000 for the purposes of hiring a licensed clinical social worker. As of June 30, 2011 \$7,796 has not yet been spent for its intended purpose.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON
COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS
PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors
Maison des Ami of Louisiana, Inc.
Baton Rouge, Louisiana

We have audited the financial statements of Maison des Ami of Louisiana, Inc., (a non-profit organization) as of June 30, 2011 and 2010, and for the years then ended, and have issued our report thereon dated December 28, 2011. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audits, we considered Maison des Ami of Louisiana, Inc.'s internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Maison des Ami of Louisiana, Inc.'s internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the organization's internal control over financial reporting.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in the internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. We identified a deficiency in internal control over financial reporting, described below, that we consider a material weakness in internal control over financial reporting. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the material weakness identified below to also be a significant deficiency.

Maison des Ami of Louisiana, Inc. does not have a staff person who has the qualifications and training to apply generally accepted accounting principles (GAAP) in recording the entity's financial transactions or preparing its financial statements, including the related notes. The Organization relies on its auditors to assist in adjusting the books and to assist in the preparation of external financial statements and related disclosures. Under U.S. generally accepted auditing standards, the auditors cannot be considered part of the Organization's internal control structure, and because of limitations of the Organization's staff, the design of the internal control structure does not otherwise include procedures to prevent or detect a material misstatement in the external financial statements. We suggest management obtain the technical knowledge and tools necessary to prepare the external financial statements. This might be accomplished through staff development or hiring, as well as outsourcing the functions.

Compliance

As part of obtaining reasonable assurance about whether Maison des Ami of Louisiana, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audits and, accordingly, we do not express such an opinion. The results of our tests disclosed one instance of noncompliance that are required to be reported under *Government Auditing Standards* which are described above and reported to management in a separate letter dated December 28, 2011.

This report is intended solely for the information and use of the audit committee, management, others within the organization, the Legislative Auditor, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties. Under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.

Daigrepoint & Brian APAC

Daigrepoint & Brian

December 28, 2011

CORRECTIVE ACTION PLAN

Finding 2011-1

Maison des Ami of Louisiana, Inc. does not have a staff person who has the qualifications and training to apply generally accepted accounting principles (GAAP) in recording the entity's financial transactions or preparing its financial statements, including the related notes. The Organization relies on its auditors to assist in adjusting the books and to assist in the preparation of external financial statements and related disclosures. Under U.S. generally accepted auditing standards, the auditors cannot be considered part of the Organization's internal control structure, and because of limitations of the Organization's staff, the design of the internal control structure does not otherwise include procedures to prevent or detect a material misstatement in the external financial statements.

Response

Maison des Ami of Louisiana, Inc. has evaluated the cost vs. benefit of establishing internal controls over the presentation of financial statements in accordance with GAAP, and determined that it is in the best interest of the Organization to outsource this task to its independent auditors, and to carefully review the draft financial statements and notes prior to approving them and accepting responsibility for their contents and presentation.

Finding 2010-1

Maison des Ami of Louisiana, Inc. does not have a staff person who has the qualifications and training to apply generally accepted accounting principles (GAAP) in recording the entity's financial transactions or preparing its financial statements, including the related notes. The Organization relies on its auditors to assist in adjusting the books and to assist in the preparation of external financial statements and related disclosures. Under U.S. generally accepted auditing standards, the auditors cannot be considered part of the Organization's internal control structure, and because of limitations of the Organization's staff, the design of the internal control structure does not otherwise include procedures to prevent or detect a material misstatement in the external financial statements.

Response

Maison des Ami of Louisiana, Inc. has evaluated the cost vs. benefit of establishing internal controls over the presentation of financial statements in accordance with GAAP, and determined that it is in the best interest of the Organization to outsource this task to its independent auditors, and to carefully review the draft financial statements and notes prior to approving them and accepting responsibility for their contents and presentation.

Finding 2010-2

Maison des Ami of Louisiana, Inc. did not comply with the requirement from one contracting agency regarding maintaining liability insurance coverage for the duration of the contract. Compliance with such requirements is necessary, in our opinion, for Maison des Ami of Louisiana, Inc. to conform to the terms and conditions applicable to the contract.

Response

Maison des Ami of Louisiana, Inc. has obtained the necessary policies and coverage to be in compliance with the terms of the contract.
