INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Monroe Area Guidance Center
a/k/a Harmony House
Monroe, Louisiana

We have audited the accompanying statement of financial position of Monroe Area Guidance Center a/k/a Harmony House (a nonprofit organization) as of and for the year ended June 30, 2010, and the related statements of activities, functional expenses, and cash flows for the year then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America, and *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Monroe Area Guidance Center a/k/a Harmony House, as of June 30, 2010, and the changes in its net assets and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued a report dated November 22, 2010 on our consideration of Monroe Area Guidance Center a/k/a Harmony House's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is to describe the scope of our testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Our audit was made for the purpose of forming an opinion on the basic financial statements of Monroe Area Guidance Center a/k/a Harmony House taken as a whole. The accompanying financial information listed as supplementary financial information in the table of contents for the year ended June 30, 2010 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors
Monroe Area Guidance Center
a/k/a Harmony House
Monroe, Louisiana

We have audited the financial statements of Monroe Area Guidance Center a/k/a Harmony House as of and for the year ended June 30, 2010, and have issued our report thereon dated November 22, 2010. We conducted our audit in accordance with accounting standards generally accepted in the United States of America applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Monroe Area Guidance Center a/k/a Harmony House's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Monroe Area Guidance Center a/k/a Harmony House's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above. However, we identified certain deficiencies in internal control over financial reporting, described in the accompanying schedule of findings and questioned costs that we consider to be significant deficiencies in internal control over financial reporting, listed as items 10-1, 10-2, 10-3, 10-5, 10-6, 10-7, 10-8, and 10-9. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Monroe Area Guidance Center a/k/a Harmony House's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed an instance of noncompliance that is required to be reported under *Government Auditing Standards*, and which is described in the accompanying schedule of findings and responses as item 10-4.

This report is intended for the information of the audit committee, management, and federal awarding agencies and pass-through entities. However, this report is a matter of public record and its distribution is not limited.

JUNE 30, 2010

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

A. Statement of Presentation:

The accompanying financial statements conform to generally accepted accounting principles for not-for-profit organizations.

B. Organization:

The Organization provides a spectrum of habilitation-oriented services to the chronically mentally ill in northeast Louisiana, including providing employment opportunities, helping clients with physical and emotional problems in order to help them get into the mainstream of community life, and operating a homeless shelter for the mentally ill. The Organization also carries out a janitorial program to help train clients for employment.

C. Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

D. Cash and Cash Equivalents:

The Organization considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents. Cash and cash equivalents for purposes of the statement of cash flows exclude permanently restricted cash and cash equivalents.

E. Budget Policy:

Budgets for various programs are prepared by the Organization and approved by grantor of the funds for each respective program.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

I. Property and Equipment:

Donations of property and equipment are recorded as support at their estimated fair value. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies temporarily restricted net assets to unrestricted net assets at that time. Buildings are depreciated using the straight-line method over the useful lives ranging between 27.5 years and 39 years. Equipment is depreciated using the declining balance method over the useful lives ranging between 5 to 7 years. Improvements are depreciated using the straight-line method over 15 years.

J. Allocation of Functional Expenses:

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

K. Reserve for Bad Debts:

The Organization uses the allowance method to determine uncollectible receivables. The allowance is based on prior years' experience and management's analysis of specific receivables made. Management reviews accounts receivable monthly and charges off amounts deemed uncollectible. The amount of the allowance was \$4,257 at the year ended June 30, 2010.

NOTE 9 - CONTINGENT LIABILITIES:

Amounts received or receivable from grantor agencies are subject to audit and adjustment by grantor agencies. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amount which may be disallowed by the grantor cannot be determined at this time although the Organization expects such amounts, if any, to be immaterial.

NOTE 10 - FAIR VALUES OF FINANCIAL INSTRUMENTS:

The Organization's financial instruments, none of which are held for trading purposes, include cash. The Organization estimates that the fair value of all financial instruments at June 30, 2010 does not differ materially from the aggregate carrying values of its financial instruments recorded in the accompanying statement of financial position.

NOTE 11 - AUDIT REQUIREMENTS:

The Organization did not fall under the A-133 audit regulation which became effective for fiscal years beginning after July 1, 1996 due to federal funds expended being under \$500,000.

The Organization was approved by the Department of Housing and Urban Development (HUD) for a grant for a Case Management Plus project. The total obligation by HUD for this grant will be \$83,815 to be disbursed in the next year on a cost-reimbursement basis beginning in the year ended July 31, 2010.

NOTE 13 - CASH FUNDS:

All cash funds are in institutions insured up to \$250,000 by an agency of the federal government. At various times during the year the cash funds in these institutions exceeded \$250,000 and the excess of these funds was uninsured.

NOTE 14 - CONTINGENCY:

A discrimination claim has been filed with the EEOC by several former employees of the Organization. The Organization intends to vigorously defend each claim. Reserves are established for legal claims when payments associated with the claims become probable and the costs can be reasonably estimated. The actual costs of resolving legal claims may be substantially higher or lower than the amounts reserved for those claims. Based on information currently available, the Organization believes that the eventual outcome of the actions against the Organization will not, individually or in the aggregate, have a material adverse effect on the Organization. However, in the event of unexpected future developments, it is possible that the ultimate resolution of those matters, if unfavorable, may be material to the Organization's financial statements.

NOTE 15 - BINGO REVENUES:

The Organization participated in bingo games as a charitable beneficiary. The income and expense of these games are as follows:

Bingo Income	54,918
Less Cost of Direct Benefit to Participants	<u>62,583</u>
<u>Net Profit</u>	<u>(7,665)</u>

The Organization discontinued participation in bingo games in early 2010.

NOTE 16 - SIMPLE RETIREMENT PLAN:

NOTE 17 - IMPAIRMENT OF LONG-LIVED ASSETS:

In accordance with the accounting guidance for the impairment or disposal of long-lived assets, the Organization reviews its property for impairment whenever events or changes in circumstances indicate that the carrying value of an asset may not be recoverable. If the fair value is less than the carrying amount of the asset, an impairment loss is recognized for the difference. No impairment loss has been recognized to date.

NOTE 18 - SUBSEQUENT EVENTS:

Events that occur after the balance sheet date but before the financial statements were issued must be evaluated for recognition or disclosure. The effects of subsequent events that provide evidence about conditions that existed after the balance sheet date require disclosure in the accompanying notes. Management evaluated the activity of the Organization through November 22, 2010 and concluded that no subsequent events have occurred that would require recognition in the financial statements or disclosures in the notes to the financial statements.

NOTE 19 - UNCERTAIN TAX POSITIONS:

The Organization is subject to examination by various taxing authorities. Management has reviewed the Organization's activities and believes that no additional amounts or disclosures are needed, as the effect of any uncertain tax positions is not material to the financial statements.

FOR THE YEAR ENDED JUNE 30, 2010

SECTION II - FINANCIAL STATEMENT FINDINGS AND QUESTIONED COSTS

Internal Control

10-1

Finding: As is common in small organizations, management has chosen to engage the auditor to propose certain year-end adjusting journal entries and to prepare the organization's annual financial statements. This condition is intentional by management based upon the organization's financial complexity, along with the cost effectiveness of acquiring the ability to prepare financial statements in accordance with generally accepted accounting principles. Consistent with this decision, internal controls over the preparation of year-end adjusting entries and annual financial statements, complete with notes, in accordance with generally accepted accounting principles, have not been established. Under generally accepted auditing standards, this condition represents a significant deficiency in internal controls.

Professional auditing standards require that we report the above condition as a control deficiency. The standards do not provide exceptions to reporting deficiencies that are adequately mitigated with non-audit services rendered by the auditor or deficiencies for which the remedy would be cost prohibitive or otherwise impractical.

Criteria: Proper internal controls require management to prepare the Organization's annual financial statements.

Effect: This finding has no material effect on the financial statements.

Cause: It is not cost effective for the Organization to cure this control deficiency.

FOR THE YEAR ENDED JUNE 30, 2010

SECTION II - FINANCIAL STATEMENT FINDINGS AND QUESTIONED COSTS
(Continued)

Internal Control (Continued)

10-1 (Continued)

Recommendation: As mentioned above, whether or not it would be cost effective to cure a control deficiency is not a factor in applying the reporting requirements. Because prudent management requires that the potential benefit from an internal control must exceed its cost, it may not be practical to correct all the deficiencies an auditor reports. In this case, we do not believe that curing the significant deficiency described above would be cost effective or practical and, accordingly, do not believe any corrective action is necessary.

Reply: Management agrees with this finding.

10-2

Finding: Payroll taxes are routinely paid late.

Criteria: Federal and state withholdings and employment taxes must be remitted as required by the Internal Revenue Service and the Department of Revenue.

Effect: This finding has no material effect on the financial statements.

Cause: Policies and procedures for paying payroll taxes are not followed.

Recommendation: We recommend management regularly monitor the payment of the 941 and state withholding payroll taxes to ensure payments are made timely.

Reply: Management agrees with this finding and will closely monitor the payment of all payroll taxes.

SECTION II - FINANCIAL STATEMENT FINDINGS AND QUESTIONED COSTS
(Continued)

Internal Control (Continued)

10-3

Finding: On a few occasions, SIMPLE IRA contributions withheld from employees were not remitted to the employee's account as required by law.

Criteria: Retirement contributions withheld from employees are required to be remitted to the employee's account within thirty days.

Effect: This finding has no material effect on the financial statements.

Cause: There was an oversight by management in monitoring these payments.

Recommendation: We recommend that management ensure that SIMPLE IRA contributions withheld from employees are remitted to the employee's account within thirty days.

Reply: Management agrees with this finding and will have the accountant remit all SIMPLE IRA contributions withheld from employees to the employee's retirement account within thirty days.

10-5

Finding: Bonuses paid to employees did not include the proper tax withholdings, nor were the bonuses reported on the Organization's payroll tax reports.

Criteria: All earnings and bonuses are required to have payroll tax withholdings and should be included on the Organization's payroll tax reports.

Effect: This finding has no material effect on the financial statements.

SECTION II - FINANCIAL STATEMENT FINDINGS AND QUESTIONED COSTS
(Continued)

Internal Control (Continued)

10-5 (Continued)

Cause: There were no policies and procedures in place to ensure that bonuses paid to employees include proper tax withholdings and are reported on the company's payroll tax reports.

Recommendation: We recommend management develop policies and procedures to ensure that all future bonuses paid to employees include proper tax withholdings and will be reported on the company's payroll tax reports.

Reply: Management agrees with this finding and will develop policies and procedures to ensure that all future bonuses paid to employees include proper tax withholdings and will be reported on the company's payroll tax reports.

10-6

Finding: Reports for the Case Management Plus grant were not submitted timely or correctly, resulting in the Organization not receiving its funding for the grant.

Criteria: The Case Management Plus program requires certain reports to be filed by a required date to monitor the program.

Effect: The financial statements include \$66,123 charged to bad debts for grant money the Organization most likely will not receive.

Cause: The reports required for the Case Management Plus grant were not submitted accurately or timely.

Recommendation: We recommend that management develop policies and procedures to ensure the Case Management Plus reports are complete, accurate, and submitted timely.

Finding: Eleven of one hundred nine time sheets reviewed were not approved by a supervisor or were missing.

Criteria: All time sheets should be approved by a supervisor before being turned in to the accounting department.

Effect: This finding has no material effect on the financial statements.

Cause: Policies and procedures for time sheets were not followed.

Recommendation: We recommend management require all time sheets be approved by a supervisor before paychecks are written.

Reply: Management agrees with this finding and will require all time sheets to be approved by a supervisor before paychecks are written.

10-8

Finding: Two of twenty-five checks reviewed did not contain the proper supporting documentation.

Criteria: All checks written should be accompanied by proper supporting documentation.

Internal Control (Continued)

10-8 (Continued)

Effect: This finding has no material effect on the financial statements.

Cause: Some invoices were lost or misplaced.

Recommendation: We recommend management require supporting documentation for all checks written. The documentation should be retained in the Organization's paid bills files.

Reply: Management agrees with this finding and will require supporting documentation for all checks written.

10-9

Finding: There were several bank reconciliations for the operating account that did not tie back to the general ledger.

Criteria: The register balance on the bank reconciliations should be the same balance on the Organization's general ledger.

Effect: This finding has no material effect on the financial statements.

Cause: There are errors on the bank reconciliations.

Recommendation: We recommend management monitor the bank reconciliations to ensure they are free from error and agree to the cash balance on the general ledger. We also recommend the treasurer review and approve the monthly bank reconciliations, and initial and date them when they are reviewed.
